CHAIRMAN'S ADDRESS

Dear Shareholders,

It gives me immense pleasure to present the Annual Report of **Sumedha Fiscal Services Limited** for the financial year ended March 31, 2026.

India today stands at the threshold of a transformational era. Guided by the vision of '**Viksit Bharat @2047**', the nation is steadily progressing towards becoming a developed economy driven by innovation, entrepreneurship, robust infrastructure, financial inclusion and deepening capital markets. As businesses expand and investors increasingly participate in India's growth story, financial intermediaries have a pivotal role in channelising capital to productive enterprises and fostering sustainable economic development.

At **Sumedha Fiscal Services Limited**, we take immense pride in being a part of this journey. For nearly four decades, we have partnered with businesses across sectors, helping them raise capital, unlock opportunities, work around business turnaround and navigate complex financial decisions. Our philosophy of "Adding Values to Value" continues to guide every engagement, every transaction and every relationship that we build.

Financial Performance

During the financial year 2025-26, your Company reported Total Income of ₹ **11024.24 lakh** as against ₹ 10541.96 lakh in the previous year. **Profit Before Tax** stood at ₹ **309.57 lakh**, while **Profit After Tax** amounted to ₹ **237.63 lakh**, compared to ₹ 848.76 lakh and ₹ 658.64 lakh, respectively, during FY 2024-25.

The Board has recommended a dividend of ₹ **1.00 per equity share (10%)**, subject to the approval of the shareholders at the ensuing Annual General Meeting.

The year witnessed a dynamic yet competitive business environment. While capital market activity remained selective and transaction closures continued to be influenced by evolving market conditions, the Company remained focused on strengthening client relationships, improving operational efficiencies and maintaining financial discipline. Our diversified service offerings and prudent approach to business enabled us to remain resilient and continue serving our clients with the highest standards of professionalism.

As India's financial ecosystem continues to mature, merchant banking is no longer merely about facilitating transactions; it is about enabling enterprises to grow, supporting innovation, creating employment and contributing meaningfully to nation-building. We firmly believe that institutions like ours will continue to play an increasingly important role in supporting India's aspiration of becoming a **USD 30 trillion economy by 2047**.

The strength of Sumedha has always been its unwavering commitment to integrity, transparency and governance. We continue to uphold the highest standards of corporate governance, regulatory compliance and ethical business conduct. These principles have earned us the trust of our clients, investors, regulators and other stakeholders over the years and remain the foundation upon which we will continue to build our future.

As we look ahead, we remain optimistic about the opportunities that lie before us. India's expanding capital markets, increasing domestic investor participation, the growing private capital ecosystem, and the continued thrust on manufacturing, infrastructure and digital transformation present

significant opportunities for the financial services sector. We are committed to strengthening our capabilities, embracing technology, expanding our advisory platform and delivering long-term sustainable value to all our stakeholders.

On behalf of the Board of Directors, I extend my sincere appreciation to our employees for their dedication and commitment, and to our clients, business associates, bankers, regulators and all our stakeholders for their continued confidence in the Company. Above all, I thank our shareholders for their unwavering trust and support.

As India progresses on its journey towards **Viksit Bharat @2047**, we remain steadfast in our resolve to contribute meaningfully to the nation's growth story. Guided by our enduring philosophy of "**Adding Values to Value**," we look to the future with confidence, purpose and an unwavering commitment to creating sustainable value for every stakeholder.

Warm regards,

Vijay Maheshwari
Chairman

3. Pursuant to Section 113 of the Act, representatives of Corporate Members may be appointed for the purpose of voting through Remote e-voting or for participation and voting in the AGM to be conducted through VC / OAVM. Corporate Members intending to attend the AGM through their authorised representatives are requested to send a Certified True Copy of the Board Resolution and Power of Attorney (PDF / JPG Format), authorizing its representative to attend and vote on their behalf at the AGM. The said Resolution/Authorisation shall be sent to the Company by e-mail through its registered e-mail address at investors@sumedhafiscal.com with a copy marked to helpdesk.evoting@cdslindia.com latest by **Wednesday, August 19, 2026 (upto 5 p.m.)**. Corporate Members/ Institutional shareholders (i.e. other than individuals, HUF's, NRI's etc.) can also upload their Board Resolution/Power of Attorney/Authority Letter etc. when they login.
4. Members are requested to intimate changes, if any, pertaining to their name, postal address, email address, telephone / mobile numbers, Permanent Account Number (PAN), mandates, nominations, power of attorney, bank details such as, name of the bank and branch details, bank account number, MICR code, IFSC code, etc., to their DPs in case the shares are held by them in electronic form and to Registrar & Share Transfer Agent (“RTA”) of the Company i.e. Maheshwari Datamatics Private Limited

in case the shares are held by them in physical form.

5. The Board of Directors has recommended Dividend of Re.1/- (10%) per fully paid-up equity share of Rs.10/- each for the Financial Year 2025-26.
6. Necessary information of the Director retiring by rotation, as required under Regulation 36(3) of the Listing Regulations and the Revised Secretarial Standard on General Meetings (SS-2) issued by the Institute of Company Secretaries of India (ICSI) is appended to the Notice. Since there is no Special Business to transact, Statement pursuant to Section 102 of the Act and the Rules made thereunder setting out the material facts and the reasons for resolutions therein has not been provided.
7. In case of Joint holders, the Member whose name appears as the first holder in the order of names as per the Register of Members of the Company will be entitled to vote at the AGM.

8. Unclaimed Dividend

Pursuant to the provisions of Sections 124 and 125 of the Act read with the Investor Education and Protection Fund (Accounting, Audit, Transfer and Refund) Rules, 2016 (“IEPF Rules”), dividends which remain unclaimed / unpaid for a period of 7 years are required to be transferred to Investor Education and Protection Fund (“IEPF”).

The Company requests the Members to claim the unclaimed dividends within the prescribed period. The details of the unclaimed dividends are available on the website of the Company at www.sumedhafiscal.com and Ministry of Corporate Affairs at www.iepf.gov.in. The Members can contact Maheshwari Datamatics Private Limited for claiming the unclaimed dividends standing to the credit in their account.

9. Shares transferred to IEPF:

The Equity shares in respect to which dividend has not been encashed for seven consecutive years or more are required to be transferred to IEPF pursuant to Section 124(6) of the Act. Relevant details in this respect are posted on the website of the Company at www.sumedhafiscal.com.

In this regard, the Company has sent intimations to the Members from time to time. The Members are requested to contact Company or RTA to claim their dividend and in case of any pending legal disputes, provide certified copy of order from Court / Authority restraining transfer, payment of dividend etc. During the financial year 2025-26, the Company transferred 2433 equity shares on November 19, 2025 to IEPF Authority.

10. Dividend Related Information

The dividend approved by the members at the AGM will be paid only through electronic mode, within the statutory time limit, to the members whose names appear on the Company’s Register of Members as on the Record Date, and in respect of the shares held in dematerialised mode, to the members whose names are furnished by NSDL and CDSL as beneficial owners as on that date. The Company has fixed **Thursday, August 13, 2026 as the “Record Date”** for the purpose of determining the members eligible to receive dividend for the financial year 2025-26.

Members are requested to register / update their complete bank details with their Depository Participant(s), if shares are held in dematerialised mode, by submitting forms and documents as may be required by the Depository Participant(s). Payment of dividend shall be made through electronic mode to those members, holding shares in dematerialised mode, who have updated their bank account details.

As per the Master Circular for Registrars to an Issue and Share Transfer Agents dated February 6, 2026 issued by SEBI, payment of dividend to members holding shares in physical mode shall only be made electronically. Such payment shall be made only after they have furnished their Permanent Account Number, Contact Details (Postal Address, Mobile Number and E-mail), Bank Account Details, Specimen Signature, etc., for their corresponding physical folios with the Company / RTA.

Please refer to SEBI FAQs (Nos. 47 and 48) by accessing the link:
https://www.sebi.gov.in/sebi_data/faqfiles/jan2026/1767611333081.pdf

In view of the aforesaid dividend will be credited in electronic mode only. Kindly ensure to update KYC before the record date **August 13, 2026** to continue to receive dividend in compliance with the SEBI directives. Relevant Forms / documents in connection with updation of KYC for the Security Holders in physical mode are available on the Website of the Company under the URL <https://www.sumedhafiscal.com/other-related-disclosure/important-announcement-physical-shareholders/> as well as the Website of Maheshwari Datamatics Private Limited, Registrar & Share Transfer Agent (RTA) of the Company.

As per the Central Board of Direct Taxes (CBDT), it is mandatory to link PAN with Aadhaar number, hence the RTAs shall

accept only valid / operative PANs i.e. the ones which are linked to the Aadhaar number. The folios in which PAN is / are not valid shall also be frozen. In view of the above, we request the Shareholders to complete the KYC formalities in due course as mentioned above.

In accordance with the provisions of the Income Tax Act, 2025, dividend declared and paid by the Company is taxable in the hands of its members and the Company is required to deduct tax at source (TDS) from dividend paid to the members at the applicable rates. A separate e-mail will be sent at the registered e-mail ID of the members describing about the detailed process to submit the documents/declarations along with the formats in respect of deduction of tax at source on the dividend payout. Sufficient time will be provided for submitting the documents/declarations by the members who are desiring to claim beneficial tax treatment.

11. Dematerialization of shares:

SEBI has mandated the listed companies to process service requests^s for issue of securities in dematerialized form only, subject to folio being KYC compliant. Accordingly, Members are requested to submit duly filled and signed Form ISR-4. The Form is also available on the website of the RTA at <https://www.mdpl.in/>.

With effect from April 2, 2026, SEBI has dispensed with the requirement of issuance of a Letter of Confirmation (LOC) by the Company/RTA while processing service request. Accordingly, securities will be credited directly to the shareholder's demat account upon submission of valid demat account details along with the latest Client Master List. [SEBI Master Circular No. HO/38/13/(4)2026-MIRSD-POD/I/4298/2026 dated February 6, 2026]

\$ Issue of duplicate securities certificate; claim from unclaimed suspense account; renewal/exchange of securities certificate; endorsement; sub-division/splitting of securities certificate; consolidation of securities certificates/ folios; transmission and transposition.

Request for transfer, transmission and transposition of securities shall be effected only in dematerialized form. In view of the same, to eliminate all risks associated with physical shares and to avail various benefits of dematerialization, Members are advised to dematerialize the shares held by them in physical form. Members can contact the Company/RTA for assistance in this regard.

12. Simplification of procedure of Issuance of Duplicate Share Certificate

SEBI vide Master Circular No. HO/38/13/ (4)2026-MIRSD-POD/I/4298/2026 dated February 6, 2026, has simplified the process and reduced the documentation requirements for issuance of duplicate share certificate. Duplicate Shares will be issued only in dematerialized form.

Value	Documents for issuance of Duplicate Share Certificate
Up to Rs. 10,000	Undertaking on plain paper (no notarization required)
More than Rs. 10,000 and up to Rs. 10 Lakh	Affidavit-cum-Indemnity bond on a non-judicial stamp paper of appropriate value
More than Rs. 10 Lakh	Affidavit-cum-Indemnity bond on a non-judicial stamp paper of appropriate value and FIR/Police Complaint

In addition to the aforesaid documents, please refer website of RTA at <https://www.mdpl.in/> for the requirement of other relevant documents.

13. Special Window for transfer and dematerialisation of physical securities

Further, pursuant to SEBI Circular No. HO/38/13/11(2)2026-MIRSD-POD/ I/3750/2026 dated January 30, 2026, to facilitate ease of investing for investors and to secure the rights of investors, a special window has been opened for transfer and dematerialization of physical securities which were sold/ purchased prior to April 01, 2019. The special window is available for such transfer requests which were submitted earlier and were rejected/returned/not attended to due to deficiency in the documents/process/or otherwise for a period of one year from February 05, 2026 till February 04, 2027.

During this period, eligible shareholders can lodge / re-lodge along with requisite documents to our RTA - Maheshwari Datamatics Pvt. Ltd., 23, R. N. Mukherjee Road, 5th floor, Kolkata – 700001 and the securities that are lodged / re-lodged for transfer (including those requests that are pending with the listed company / RTA as on date) shall be issued only in demat mode. Due process shall be followed for such transfer-cum-demat requests.

The Company has publicized the opening of this special window through newspaper and social media, once every two months.

14. In compliance with the prevailing Regulations, Notice of the AGM alongwith the Annual Report 2025-26 is being sent only through electronic mode to those Members whose email addresses are registered with the Company / Registrar and Transfer Agent/ Depository Participants/ Depositories. Further, in compliance with Regulation 36(1)(b) of the Listing Regulations, a letter

providing the web-link, including the exact path, where Annual Report for the financial year 2025-26 is available, is being sent to those members whose e-mail address is not registered with the Company / Registrar and Transfer Agent / Depository Participants / Depositories.

Members may note that the Notice and Annual Report 2025-26 will also be available on the Company's website www.sumedhafiscal.com, website of the Stock Exchange- BSE Limited at www.bseindia.com and on the website of the CDSL at www.evotingindia.com.

Members who have not registered their email address are requested to get their email address registered with their DP in case the shares are held in electronic mode and with Company's Registrar and Share Transfer Agent - Maheshwari Datamatics Private Limited, Kolkata in case shares are held in Physical Form. This may be treated as an advance opportunity in terms of proviso to Rule 18(3)(i) of the Companies (Management and Administration) Rules, 2014.

15. Since the AGM will be held through VC / OAVM, the Route Map is not annexed in this Notice.
16. The Members who would like to express their views / ask questions during the AGM may register themselves as a speaker by sending their request from their registered e-mail Id mentioning their name, demat account number / folio number, email id, mobile number at investors@sumedhafiscal.com up to **Sunday, August 16, 2026** (upto 5.00 p.m.). Those Members who have registered themselves as a speaker will only be allowed to express their views / ask questions during the AGM.

When a pre-registered speaker is invited to speak at the meeting but he / she does not respond, the next speaker will be invited to speak. Accordingly, all speakers are requested to get connected to a device with a video/ camera along with good Internet speed. The Company reserves the right to restrict the number of questions and number of speakers, as appropriate, for smooth conduct of the AGM.

The Members who do not wish to speak during the AGM but have queries may send their queries from their registered e-mail id mentioning their name, demat account number / folio number and mobile number at investors@sumedhafiscal.com up to **Sunday, August 16, 2026** (upto 5.00 p.m.). Alternatively, Members can also put question on the Q&A box available at the time of the AGM.

17. The Notice, the Registers and all other documents will be available for inspection in electronic mode. Members can inspect the same up to the date of AGM, by sending an e-mail to the Company at investors@sumedhafiscal.com.

21. INSTRUCTION FOR E-VOTING AND JOINING THE AGM:

- Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015 (as amended), and MCA Circulars dated 5th May, 2020 and 25th March, 2023 the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL.
- The Members can join AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available to atleast 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, respectively, and Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
- The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.
- Pursuant to MCA Circular No. 14/2020 dated April 08, 2020 and subsequent circulars issued in this regard, the facility to appoint proxy to attend and cast vote for the members is not available for this AGM. However, in pursuance of Sections 112 and 113 of the Companies Act, 2013, representatives of the members such as the President of India or the Governor of a State or body corporate can attend the AGM/EGM through VC/OAVM and cast their votes through e-voting.
- Shareholders holding equity shares shall have one vote per share as shown against their holding. The shareholders can vote for their entire voting rights as per their discretion.

THE INSTRUCTIONS OF SHAREHOLDERS FOR E-VOTING AND JOINING VIRTUAL MEETINGS ARE AS UNDER:

- (i) The voting period begins on **August 17, 2026 at 09:00 am IST and ends on August 19, 2026 at 05:00 pm IST**. During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the **cut-off date (record date) of August 13, 2026** may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting.
- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 09, 2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

A. Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

- (iv) In terms of SEBI circular no. Pursuant to the Company's long-term strategy of expanding into high-growth financial services, our partnership in Urushya Fund Management LLP has achieved critical operational stability this year. The LLP has actively undertaken its role as the Investment Manager for its Category II Alternative Investment Fund (AIF), establishing a robust framework for governance, fund administration, and portfolio compliance in line with SEBI regulations.

Operating as the Investment Manager has allowed the LLP to command complete strategic control over the deployment cycle. Over the past year, the fund capitalized on macroeconomic shifts where high-performing businesses required flexible, non-dilutive alternate credit lines. The LLP meticulously structured these allocations as close-ended private credit investments, matching the fund's horizon with the natural cash-flow cycles of the borrowers. To safeguard the fund's asset quality, the investment committee mandated extensive due diligence and multi-layered security charges on all deployments. By managing the fund internally through the LLP, the Company is uniquely positioned to optimize yield generation, ensure stringent asset protection, and capture the upside of the rapidly expanding Indian private credit ecosystem.

Material Changes and Commitments

No material changes and commitments have occurred after the close of the year till the close of this Report, which affects the financial position of the Company.

Indian Accounting Standards

ANNEXURE – I MANAGEMENT DISCUSSION & ANALYSIS

GLOBAL ECONOMY: A YEAR OF STABILIZATION UNDER PRESSURE

As we look back on FY 2025–26, it was a year defined by a high-stakes transition. We began the period hoping for a "soft landing" after years of post-pandemic volatility, and while we largely achieved that, the path was shaped by a complex mix of regional instability and rapid technological disruption that forced us to rethink our strategies in real-time.

A Year of Resilience Amidst Fragmentation

Global GDP growth for the 2025-26 period tracked at approximately 3.2%. This figure, however, masked a significant divide between regions. The United States maintained a steady momentum, largely supported by a massive investment cycle in AI infrastructure that helped offset the impact of high interest rates. Similarly, India continued to be a primary engine of growth, benefiting from robust domestic consumption and a successful push into high-tech manufacturing.

In contrast, Europe and China navigated more difficult terrain. Europe grappled with the long-term structural costs of its energy transition, while China dealt with a prolonged real estate correction and a shift toward an export-heavy industrial model that created fresh trade tensions globally.

Key Economic Drivers and Challenges

- **Geopolitical Friction:** Over the past year, trade policy became a tool of national security. We saw a marked trend of "friend-shoring," where supply chains moved to allied nations to mitigate risks from ongoing friction between major powers over critical technologies like semiconductors.
- **The Inflation "Last Mile":** While the era of runaway inflation is now behind us, the "last mile" proved to be sticky. Central banks kept rates at restrictive levels for most of the year, keeping the cost of capital high for debt-heavy sectors like real estate and traditional manufacturing.
- **The Productivity Pivot:** A major bright spot in FY 2025-26 was the tangible productivity gain emerging from Artificial Intelligence and automation. Businesses moved beyond the experimental phase, embedding AI into core operations to combat labor shortages and rising costs.
- **The Energy Milestone:** Clean energy investment reached record levels this past year, estimated at over \$2.4 trillion. However, the rapid expansion of AI data centers created a global "power crunch," making grid modernization a top priority for both governments and corporations.
- **Strategic Reflection:** FY 2025–26 was a period where broad recovery was replaced by a landscape where performance was defined by regional positioning and sectoral strength. Companies that successfully navigated high energy costs and secured their supply chains against geopolitical shocks are the ones that have emerged with a path to sustainable growth as we move into the next cycle.

Note on Sources: This retrospective integrates 2026 data and outlooks from the IMF and OECD, finalized policy stances from the Federal Reserve and RBI, and year-end analysis from S&P Global and McKinsey regarding the 2025-26 technology and energy shifts.

As we evaluate the progress in May 2026, the Indian economy is showing remarkable resilience, having recently closed the 2025-26 fiscal year with a surprisingly robust growth rate of 7.6%—well ahead of initial projections. While the global landscape is increasingly fragmented, India's "double engine" of domestic consumption and steady investment has kept it as a top performer among major nations.

INDIAN ECONOMY: RECENT PERFORMANCE AND OUTLOOK

- **Growth Trajectory:** Following the 7.6% expansion in the year just ended, growth for the current 2026–27 fiscal year is projected to settle into a sustainable range of 6.8% to 7.2%.
- **Consumption Dynamics:** Private expenditure has been a standout, rising to account for 61.5% of GDP. This shift reflects a more confident urban consumer and a steady recovery in rural areas, where strong agricultural performance is finally starting to translate into higher purchasing power.

- **Investment & Industry:** Infrastructure remains a core priority, with Gross Fixed Capital Formation (GFCF) holding steady at 30.0% of GDP. Manufacturing is particularly active, growing at over 8% in early 2026, fueled by the rationalization of GST and continued momentum from Production-Linked Incentive (PLI) schemes.

MACROECONOMIC STABILITY UNDER PRESSURE

- **Inflation Management:** Managing price levels has been a balancing act. Headline inflation (CPI) hovered around 3.48% in April 2026. While this is well within the target range, we are seeing some pressure from rising food prices and a "power crunch" caused by the energy demands of new digital infrastructure.
- **Monetary Policy:** In response to these manageable pressures, the Reserve Bank of India (RBI) has slightly eased its stance, maintaining the repo rate at 5.25% as of April 2026 to support continued growth while keeping an eye on external shocks.
- **Fiscal Discipline:** The government successfully narrowed the fiscal deficit to 4.4% of GDP for the 2025–26 cycle, down from 4.8% the previous year. This improvement was driven by strong tax collections, with net GST revenue continuing to grow at a healthy 7.1% annually.

EXTERNAL CHALLENGES AND FOREX

- **Trade and Currency:** The Current Account Deficit (CAD) has faced renewed pressure recently due to a spike in global oil prices and record-breaking gold imports.
- **Foreign Reserves:** To stabilize the rupee, which recently touched the 95 per dollar mark, the RBI utilized its buffers. Foreign exchange reserves, while still substantial, declined to approximately \$691 billion by May 2026. This has led to calls for "economic austerity" regarding non-essential dollar outflows like luxury travel and gold.

Looking ahead, the focus is shifting toward unlocking "idle" domestic assets—such as household gold—and further streamlining regulatory bottlenecks to ensure India remains a preferred destination for long-term Foreign Direct Investment (FDI).

As we assess the landscape in May 2026, India's M&A market has transitioned into a "value-led" recovery phase. Following a pronounced resurgence in 2025, total deal values (including outbound) climbed 12% to 18%, reaching a record range of US\$115 billion to US\$123.8 billion. The market is currently defined by a preference for high-conviction, strategic assets over speculative volume, with a notable surge in inbound interest despite global trade frictions.

KEY DRIVERS OF M&A ACTIVITY

- **Strategic Consolidations and Large-Ticket Deals:** Domestic consolidation remains the primary anchor of the market, accounting for nearly 78% of M&A value in early 2026. Strategic activity is concentrated in resilient, domestically anchored sectors such as Financial Services, Industrials, and Auto, which saw deal values jump over 100% in the past year.
- **Private Equity Evolution:** PE activity has matured, shifting from broad large-cap dealmaking toward disciplined, control-oriented buyouts. While total PE-VC investment moderated to approximately US\$36 billion in 2025, deal volumes remained resilient as capital gravitated toward Deeptech (AI and semiconductors), healthcare, and renewable energy.
- **Enhanced Policy and Trade Frameworks:** Regulatory certainty has been bolstered by the 2026 Union Budget, which introduced tax holidays for cloud service providers and incentives for biopharma and semiconductors. Furthermore, new trade agreements—including the India-UK FTA (effective April 2026) and the India-EFTA TEPA (effective October 2025)—are expected to drive significant cross-border capital inflows.
- **Surge in Cross-Border and Inbound Interest:** Cross-border M&A value jumped 155% to US\$33.2 billion in 2025. Major inbound moves include Emirates NBD's US\$3 billion acquisition of a controlling stake in RBL Bank and Capgemini's US\$3.3 billion buyout of WNS Holdings, reflecting deep global confidence in India's long-term growth story.

OUTLOOK FOR 2026–27

Entering the new fiscal year, M&A activity is expected to remain resilient, though dealmakers are adopting a more selective approach due to global geopolitical volatility. Infrastructure, Green Energy, and Technology (linked to AI demand) remain the key growth areas. With structural supports like RBI rate reductions and a signed EU-India trade framework, the market is poised for a more mature, high-value dealmaking environment.

Source: Insights are derived from recent reports by industry analysts, financial institutions, and global advisory firms.

The Alternative Investment Funds (AIF) sector in India has maintained its strong trajectory, cementing its role as a vital pillar of the national financial landscape. As of May 2026, the industry has achieved a historic milestone, with total commitments surpassing Rs.15.74 lakh crore. This reflects a significant leap from the Rs.11.35 lakh crore recorded in March 2024, continuing the sector's rapid expansion.

Growth Drivers

- **Regulatory Modernization:** SEBI continues to refine the AIF landscape to improve transparency and ease of doing business. A new AIF regulatory reporting framework was introduced in 2026, simplifying compliance by replacing detailed quarterly filings with a more integrated annual activity report.
- **Enhanced Transparency:** New 2026 mandates now require AIFs to report the value of units to depositories, ensuring that private asset reporting standards are increasingly aligned with public market transparency.
- **Operational Flexibility:** SEBI has introduced a "lighter-touch" regulatory framework for AI-only Funds (limited to accredited investors), alongside operational flexibilities such as a "Dissolution Period" to help managers navigate unliquidated investments after a fund's tenure expires.
- **Sectoral Concentration:** Investment remains heavily focused on high-conviction sectors including DeepTech (AI and semiconductors), renewable energy, and healthcare, attracting sophisticated High Net Worth Individuals (HNIs) seeking superior risk-adjusted returns.

Market Outlook

The AIF industry is well on its way to achieving a projected five-fold increase in AUM by 2034, with total commitments estimated to exceed Rs.100 lakh crore by 2030. Category II AIFs—comprising private equity and private credit—remain the dominant mainstream choice, currently accounting for over Rs.11.64 lakh crore of total industry commitments. Sustained growth is expected to be fueled by AI-driven investment strategies, global market diversification, and a favorable regulatory environment that supports niche product innovation.

BUSINESS OVERVIEW

Highlights of Financial Performance during FY 2025-26

- Total Income from Operation of Rs. 10943.19 Lacs (Rs. 10157.97 Lacs for FY24-25)
- Profit Before Tax of Rs. 309.57 Lacs (Rs. 848.76 Lacs in FY24-25)
- Net Profit of Rs. 237.63 Lacs (Rs. 658.64 Lacs in FY24-25)
- Basic EPS after extra ordinary items stood at Rs. 2.98, compared to Rs. 8.25 in FY24-25

Sumedha Fiscal Services Limited is a distinguished player in the Indian financial services landscape, specializing in debt syndication, financial restructuring, and corporate advisory. The Company excels in managing both private placements and public issues of equities and debt, offering a broad range of fee-based services, including fund mobilization through debt, quasi-equity, and structured hybrid instruments. Serving a diverse set of premier public and private corporates, Sumedha Fiscal Services Limited is recognized for its comprehensive and integrated approach. With an unwavering commitment to its vision of *'adding values to value,'* the Company consistently delivers exceptional value to its clients in every engagement.

The Investment and Merchant Banking sector in India has transitioned into a high-growth phase as of May 2026, following a landmark FY 2025–26 that saw the market size expand toward a projected Rs.25,000 crore by 2028. This momentum is underpinned by a "seismic change" in how Indian corporates access capital, moving beyond traditional debt to sophisticated hybrid and convertible instruments.

INVESTMENT AND MERCHANT BANKING: SECTOR EVOLUTION

- **ECM and IPO Resurgence:** After a record-breaking 2025, which was the busiest year for IPOs since 2021, the 2026 ECM market has entered a period of exceptional activity. Investors have shifted focus toward companies demonstrating durable revenue and "clear competitive moats," particularly in technology and defense sectors.

- **Alternative Financing:** The convertible bond market saw a 35% year-over-year increase in 2025, with larger, high-quality issuers adopting these instruments as a core part of their financing strategy.
- **Technological Shift:** By 2026, the use of AI-powered compliance engines and risk modeling has become a "strategic necessity" for the sector. These tools are significantly reducing false positives in fraud detection (by 30–50%) and enabling real-time automated regulatory reporting.

Macro-Financial Environment (FY 2025–26)

- **Growth & Retail Participation:** Real GDP is projected to grow by 6.3% for FY 2025–26, supported by a massive expansion in the retail investor base. Unique investors in India crossed the 12-crore mark in late 2025, with nearly a quarter being women—a significant milestone for financial inclusion.
- **Regulatory Resilience:** The Financial Sector Assessment Program (FSAP) conducted by the IMF and World Bank in 2025 validated the resilience of India's financial system, noting that capital markets have expanded to 175% of GDP.
- **New Directions:** Effective January 1, 2026, the RBI introduced new restrictions on regulated entities' investments in Alternative Investment Funds (AIFs), aiming to manage related exposures more prudently.

Corporate Focus: Sumedha Fiscal Services Limited

- **Segment Performance:** Investment Banking remains the primary engine of the Company's growth. This segment, which contributed Rs.962.59 lacs in FY 2025-26, has seen its role expand as the firm navigates the increasingly complex regulatory and technological landscape of 2026.
- **Strategic Positioning:** The firm continues to leverage its expertise in debt syndication and corporate advisory, aligning with the broader sector trend of utilizing technology for enhanced risk management and operational efficiency.

RISK MANAGEMENT: FORGING RESILIENCE IN A DYNAMIC LANDSCAPE

At Sumedha Fiscal Services Limited, we view risk management not merely as a compliance obligation, but as a strategic pillar that safeguards our stakeholders and ensures the long-term sustainability of our value-creation model. Our framework is designed to be as dynamic as the markets we operate in—continuously evolving to identify, assess, and mitigate a broad spectrum of internal and external threats.

Integrated Governance and Oversight

Our risk strategy is deeply embedded within our decision-making structure. While the Company is not currently required to maintain a formal Risk Management Committee under Regulation 21 of the SEBI (LODR) Regulations, our internal systems are robust and fully commensurate with our business complexity.

- **Board-Level Accountability:** Significant risks across strategic, financial, and operational domains are reviewed quarterly by the Audit Committee and the Board of Directors.
- **Proactive Mitigation:** Our governance ethos ensures that risk identification is proactive rather than reactive, allowing for timely intervention across all business functions.

Navigating the 2026 Risk Horizon

The financial landscape in 2026 is defined by rapid digital evolution and heightened macroeconomic uncertainty. To maintain our resilience, we have refined our focus in several critical areas:

- **Digital & AI Governance:** As the industry adopts Agentic AI and autonomous decision-making tools, we have prioritized managing "model risk" and ensuring data integrity to prevent algorithmic bias.
- **Cyber Resilience:** Recognizing that cybersecurity is now a national strategic issue, we continue to fortify our IT infrastructure against increasingly sophisticated threats, moving beyond basic detection to a strategy of continuous monitoring and rapid incident response.
- **Regulatory Recalibration:** We proactively adapt to shifting compliance landscapes, integrating updated regulatory frameworks designed to enhance investor services and restructure guidelines for high-value debt entities.

Operational Strength and Future Outlook

Backed by a sound capital base, prudent liquidity management, and a pan-India presence, the Company is exceptionally well-positioned to pursue growth while maintaining a defensive posture against market volatility. Our approach remains grounded in the lessons learned across previous economic cycles, ensuring that as we scale, our commitment to ethical standards and stakeholder trust remains unshakeable.

RISKS AND CONCERNS

The Company is subject to following broad risks -

• Operational Risk-

The Company's operations are inherently reliant on the effectiveness of its people, processes, and internal systems. Any inadequacy or failure in these areas could potentially have a material adverse impact on its business performance and financial position.

To mitigate such risks, the Company has implemented a robust internal control framework and conducts regular audits and process reviews to ensure operational efficiency and compliance. Its key management personnel and operational teams comprise experienced professionals with a high degree of expertise and commitment, ensuring sound execution and oversight of business activities. This proactive approach significantly reduces the likelihood of disruptions arising from operational lapses or process inefficiencies.

• Market Risk-

Market risk arises from fluctuations in the value of financial instruments driven by volatility in variables such as equity prices, interest rates, currency exchange rates, credit spreads, and other asset prices. As a financial services intermediary, the Company is inherently exposed to these risks, particularly in relation to its proprietary trading and investment activities.

To manage and mitigate such exposures, the Company continuously monitors its investment portfolio, market positions, and risk thresholds. It employs prudent risk management practices, including the strategic use of derivatives and other hedging instruments, to safeguard against adverse market movements and ensure portfolio stability.

• Liquidity Risk-

Liquidity risk refers to the potential impact of adverse market conditions on the Company's ability to meet its short-term financial obligations, liquidate assets without significant loss, or access funding at reasonable costs. A severe market-wide liquidity crunch or disruption could also affect counterparties and clients, thereby indirectly impairing the Company's own cash flows and financial commitments.

To mitigate such risks, the Company maintains a prudent liquidity management strategy, including holding a portion of its capital in high-quality liquid assets to cushion against unforeseen short-term pressures. The business is well-capitalized and adopts a forward-looking approach to liquidity planning, focusing on building financial buffers and maintaining flexibility to navigate economic cycles. This disciplined approach enables the Company to sustain long-term stability despite temporary market volatilities.

• Regulatory and Compliance Risk

The Company operates in a highly regulated environment, and any changes in laws, rules, or regulatory interpretations affecting its business segments may have a material impact. Regulatory risk may also arise from non-compliance, delayed implementation of regulatory requirements, or differing interpretations between the Company and regulatory authorities.

To mitigate such risks, the Company has established a robust compliance framework supported by dedicated teams of professionals who ensure adherence to all applicable legal and regulatory obligations. Regular internal audits are conducted to assess compliance with statutory requirements and internal policies. Where necessary, the Company seeks expert external legal and professional advice to ensure full alignment with the evolving regulatory landscape and to proactively address any potential areas of concern.

• Reputation Risk

Reputation is a critical asset for the Company, directly influencing stakeholder trust, client retention, and long-term business sustainability. While a strong reputation is built through consistent delivery of high-quality services, integrity, and client-centricity, it remains vulnerable to a wide range of external and internal factors that can cause significant and sometimes irreversible damage.

The Company places the highest importance on preserving its reputation, which has been earned through decades of trusted advisory and financial services. It fosters a culture of accountability and excellence across all levels of its operations. A dedicated

and professionally committed workforce upholds the Company's core values, ensuring that all interactions reflect ethical standards, client trust, and stakeholder confidence.

INTERNAL CONTROL SYSTEMS

The Company has instituted an internal control framework that is commensurate with the scale and complexity of its operations. This system is structured to ensure strict compliance with applicable laws and regulations governing its business activities. The internal financial controls relating to the preparation of financial statements are assessed to be adequate and effective. These controls are designed to safeguard the Company's assets, ensure the accuracy and integrity of its accounting records, prevent and detect frauds and errors, and facilitate the timely preparation of reliable financial information.

There has been no material developments in the area of Human Resources.

The Company had 49 permanent employees during the year under review.

ANNEXURE – II

CORPORATE GOVERNANCE REPORT

A report on Corporate Governance is set out in compliance with the Corporate Governance requirements as stipulated in Regulation 34(3) read with Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

COMPANY'S PHILOSOPHY ON CODE OF GOVERNANCE

The Company's corporate governance philosophy encompasses regulatory and legal requirements, which aims at a high level of business ethics, effective supervision and enhancement of value for all stakeholders. The highest levels of corporate governance are material for us to maximise operational transparency for investors, regulators and other stakeholders, besides preserving minority shareholder's interests and reducing potential reputation risk.

To ensure transparency, fairness and objectivity in the organisation's functioning and unquestioned integrity of all personnel involved, the Company has proactively adopted various policies and best practices towards ensuring compliance with Corporate Governance norms. The Company's policy on compliance with external regulatory requirements is backed by stringent internal policies and principles to ensure, inter alia, maintenance of confidentiality of client information and prevention of insider trading through adoption of various policies. Your company has fulfilled all the existing guidelines prescribed by the Securities and Exchange Board of India (SEBI) in chapter IV read with schedule V of SEBI (Listing Obligations and Disclosure requirements) Regulations, 2015.

We ensure the effective implementation of our corporate governance model through our experienced, skilled and diversified Board of Directors. With their collective professional expertise and backgrounds, they propel the realisation of the Company's vision and strategy. They are mandated to ensure strict adherence to all compliance and regulatory requirements to nurture the trust of our stakeholders.

The Company is committed to focus its energies and resources in creating and positively leveraging shareholders' wealth and, at the same time, safeguarding the interests of all stakeholders. This is our path to sustainable and profitable existence and growth.

Your Company is also committed to adopt the best governance practices and their adherence in the true spirit at all times in the right way which is not limited to compliance with its applicable statutory requirements but also includes a strict application of best management practices amid the contemporary and continually changing business environment.

THE COMPANY'S CORPORATE GOVERNANCE PRINCIPLES AND SYSTEM:

1. The Board of Directors of the Company periodically reviews its corporate strategies, annual budgets and sets, implements and monitors corporate objectives. It effectively monitors the Company's governance practices and ensures transparent Board processes. Further it appoints and compensates the key executives and monitors their performance. INDEPENDENT AUDITOR'S CERTIFICATE ON CORPORATE GOVERNANCE

To

The Members of Sumedha Fiscal Services Limited

6A, Geetanjali Apartments, 8B Middleton Street, Kolkata- 700071

1. We have examined the compliance of conditions of Corporate Governance by Sumedha Fiscal Services Limited ("the Company") for the year ended on 31st March, 2026, as stipulated in Regulations 17 to 27, clauses (b) to (i) of Regulation 46(2) and part C and D of Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended ("SEBI LODR").

Management's Responsibility

2. The compliance of conditions of corporate governance is the responsibility of the Management of the Company, including the preparation and maintenance of all relevant supporting records and documents. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the Corporate Governance Report.
3. The Management along with the Board of Directors are also responsible for ensuring that the Company complies with the conditions of Corporate Governance as stipulated in the SEBI LODR, issued by the Securities and Exchange Board of India.

Auditor's Responsibility

4. We have conducted our examination of the Corporate Governance Report in accordance with the Guidance Note on 'Reports or Certificates for Special Purposes' and the Guidance Note on 'Certification of Corporate Governance', both issued by the Institute of Chartered Accountants of India ("ICAI"). The Guidance Note on 'Reports or Certificates for Special Purposes' requires that we comply with the ethical requirements of the Code of Ethics issued by ICAI.
5. We have complied with the relevant applicable requirements of the Standard on Quality Control (SQC) 1, Quality Control for Firms that Perform Audits and Reviews of Historical Financial Information, and Other Assurance and Related Services Engagements.
6. The procedures selected depend on the auditor's judgement, including the assessment of the risks associated in compliance of the Corporate Governance Report with the applicable criteria.
7. The procedures include but are not limited to verification of secretarial records and financial information of the Company. We have obtained necessary representations and declarations from directors including independent directors of the Company.
8. The procedures also include examining evidence supporting the particulars in the Corporate Governance Report on a test basis. Further, our scope of work under this report did not involve us performing audit tests for the purposes of expressing an opinion on the fairness or accuracy of any of the financial information or the financial statements of the Company taken as a whole.

Opinion

9. In our opinion and to the best of our information and according to the explanations given to us, we certify that the Company has, in all material respects, complied with the conditions of Corporate Governance as stipulated in regulations 17 to 27, clauses (b) to (i) of regulation 46 (2) and part C and D of Schedule V to the SEBI LODR for the year ended 31st March, 2026.

Other Matters and Restrictions on use

10. We further state that such compliance is neither an assurance as to the future viability of the Company nor of the efficiency or effectiveness with which the Management has conducted the affairs of the Company.
11. The certificate is addressed and provided to the members of the Company solely for the purpose to comply with the requirement of the its obligations under SEBI LODR and it should not be used by any other person or for any other purpose. Accordingly, we do not accept or assume any liability or any duty of care for any other purpose or to any other person to whom it is shown or into whose hands it may come without our prior consent in writing.

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED 31.03.2026

[Pursuant to Section 204(1) of the Companies Act, 2013 read with Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 and Regulation 24A of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015]

To
The Members,
Sumedha Fiscal Services Limited
6A Geetanjali, 8B Middleton Street
Kolkata – 700 071, West Bengal

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Sumedha Fiscal Services Limited** having its Registered Office at 6A, Geetanjali, 8B Middleton Street, Kolkata – 700 071, West Bengal (hereinafter called ‘the Company’). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the Company has, during the audit period covering the financial year ended 31.03.2026 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.

Auditors’ Responsibility

Maintenance of Secretarial Records is the responsibility of the management of the Company. Our responsibility is to express an opinion on existence of adequate Board process and compliance management system, commensurate to the size of the Company, based on these secretarial records as shown to us during the said audit and also based on the information furnished to us by the officers’ and the agents of the Company during the said audit.

We have followed the audit practices and processes as were appropriate to the best of our understanding to obtain reasonable assurance about the correctness of the contents of the secretarial records. The verification was done on test basis to ensure that correct facts are reflected in secretarial records. We believe that the processes and practices, we followed, provide a reasonable basis for our opinion.

We have not verified the correctness, appropriateness and bases of financial records, books of accounts and decisions taken by the Board and by various committees of the Company during the period under scrutiny. We have checked the Board process and compliance management system to understand and to form an opinion as to whether there is an adequate system of seeking approval of the Board, respective committees of the Board, of the members of the Company and of other authorities as per the provisions of various statutes as mentioned hereinafter.

Wherever required we have obtained the management representation about the compliance of the laws, rules and regulations and happening of events, etc.

The Compliance of the provisions of Corporate and other applicable laws, rules, regulations and standards is the responsibility of the management. Our examination was limited to the verification of compliance procedures on test basis.

Our report is neither an assurance as to the future viability of the Company nor of the efficacy or effectiveness or accuracy with which the management has conducted the affairs of the Company.

We report that, we have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended 31.03.2026 according to the provisions of (as amended) :

INDEPENDENT AUDITOR'S REPORT

To
The Members of
Sumedha Fiscal Services Limited
Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying Standalone Financial Statements of Sumedha Fiscal Services Limited ("the Company"), which comprise the Balance Sheet as at 31st March 2026, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and notes to the financial statements, including a summary of the material accounting policy information and other explanatory information (hereinafter referred to as "the Standalone Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with Indian Accounting Standards specified under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules 2015, as amended and other accounting principles generally accepted in India, of the state of affairs of the Company as on 31st March 2026, its profit (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by The Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the Key Audit Matters to be communicated in our report.

Key Audit Matters	Response to Key Audit Matters
Property, Plant and Equipment There are areas where management judgement impacts the carrying value of property, plant and equipment, intangible assets, investment property and their respective depreciation rates. We do not consider this management judgement to be of high risk of significant misstatement or to be subject to significant level of judgment. Due to the materiality in the context of the Balance Sheet of the Company, this is considered to be an area which had the significant effect on the overall audit strategy and allocation of resources in planning and completing our audit.	We assessed the controls in place over the Property, Plant and Equipment, evaluated the appropriateness of capitalization process, performed tests of details on costs capitalized, the timeliness of the capitalization of the assets and the de-recognition criteria for assets retired from active use. In performing these procedures, we reviewed the judgements made by management including the nature of underlying costs capitalized; determination of realizable value of the assets retired from active use; the appropriateness of assets' lives applied in the calculation of depreciation; and the useful lives of assets prescribed in Schedule II to the Act and as per material accounting policy information of the Company.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's management and Board of Directors are responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Corporate Governance and Shareholders' Information but does not include the standalone financial statements and our Auditor's Report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance or conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available, and in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit, or otherwise appears to be materially misstated.

If we conclude, based on the work we have performed, on the other information obtained prior to the date of this Auditor's Report, that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and those charged with governance for the Standalone Financial Statements

The Company's management and Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of the standalone financial statements that give a true and fair view of the financial position, financial performance including total comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our Auditor's Report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditor's Report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of more significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our Auditor's Report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- 1) As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of Section 143(11) of the Act, we give in the **"Annexure A"**, a statement on the matters specified in the paragraphs 3 and 4 of the Order, to the extent applicable.
- 2) As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of our audit;
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c) The Standalone Balance Sheet, the Standalone Statement of Profit and Loss (including Other Comprehensive Income), the Standalone Statement of Changes in Equity and the Standalone Statement of Cash Flows dealt with by this Report are in agreement with the books of account;
 - d) In our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act;
 - e) On the basis of the written representations received from the directors as on 31st March, 2026 and taken on record by the Board of Directors, none of the directors are disqualified as on 31st March, 2026 from being appointed as a director in terms of Section 164(2) of the Act;
 - f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate report in **"Annexure B"**;
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of Section 197(16) of the Act, the Company has complied with the provisions of Section 197 read with Schedule V to the Act, relating to Managerial Remuneration;

- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- (i) the Company has no pending litigations on its financial position in its standalone financial statements;
 - (ii) the Company has made provision, as required under the applicable law or Indian Accounting Standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts; and
 - (iii) there has been no delay in transferring the amounts required to be transferred to the Investor Education and Protection Fund by the Company in accordance with the relevant provisions of the Act and the Rules made thereunder.
 - (iv) (a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether directly or indirectly, lend to or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (b) The management has represented that, to the best of its knowledge and belief, no funds have been received by the company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether directly or indirectly, lend to or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and;
 - (c) Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e) contain any material mis-statement.
 - (v) The final dividend paid by the Company during the current year in respect of the same declared for the previous year is in accordance with Section 123 of the Companies Act, 2013 to the extent it applies to payment of dividend. As stated in note no. 45 to the standalone financial statements, the Board of Directors of the Company has proposed final dividend for the current year which is subject to the approval of the members at the ensuing Annual General Meeting. The dividend declared is in accordance with section 123 of the Act to the extent it applies to declaration of dividend.
 - (vi) Based on our examination, including test checks, the company has utilized accounting software with an audit trail (edit log) feature for maintaining its books of account, which has been consistently operated throughout the year for all relevant transactions. During our audit, we did not find any instance of the audit trail feature being tampered with and the audit trail has been preserved by the company as per statutory requirements for record retention.

(Referred to in paragraph-1 under 'Report on other Legal and Regulatory Requirements' section of our Report of even date to the members of Sumedha Fiscal Services Limited on the Standalone Financial Statements for the year ended 31st March, 2026)

To the best of our information and according to the explanations provided to us by the Company and as per the books of account and records examined by us in the normal course of audit, we state that:

- (i) In respect of the Company's Property, Plant and Equipment and Intangible Assets:
 - a. A. The Company has maintained proper records showing full particulars, including quantitative details and situation of Property Plant and Equipment.
 - B. The Company has maintained proper records showing full particulars of intangible assets;
 - b. As explained to us, Property Plant and Equipment have been physically verified by the management at reasonable intervals and no material discrepancies were noticed on such verification.
 - c. According to the information and explanations given to us and on the basis of our examination of the records provided to us, we report that the title deeds of all the immovable properties (other than properties where the company is the lessee and the lease agreements are duly executed in favour of the lessee), disclosed in the financial statements included under Property, Plant and Equipment are held in the name of the Company as at the balance sheet date.
 - d. As informed to us, the Company has not revalued its Property Plant and Equipment or intangible assets or both during the year.
 - e. As informed to us, the Company does not have any Benami Property; no proceedings have been initiated during the year or are pending against the Company as at March 31, 2026 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
- (ii) a. According to the information and explanations given to us, physical verification of inventory has been conducted at reasonable intervals by the management and, in our opinion and to the best of our knowledge, the coverage and procedure of such verification by the management is appropriate. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
- b. The Company has not been sanctioned working capital limits in excess of ₹ 5 crore, in aggregate, at any point of time during the year, from banks or financial institutions on the basis of security of current assets and hence reporting under clause 3(ii)(b) of the Order is not applicable.
- (iii) The Company has made investments in companies, during the year, in respect of which:
 - a. The Company has not provided any loans or advances in the nature of loans or stood guarantor, or provided security to any other entity during the year, and hence reporting under clause 3(iii)(a) of the Order is not applicable.
 - b. In our opinion, the investments during the year are, prima facie, not prejudicial to the Company's interest; and the Company has not granted any loans, during the year.
 - c. No loans have been granted by the Company, so there is no schedule of repayment of principal and no payment of interest. Hence, reporting under Clause 3(iii)(c) is not applicable.
 - d. Since no loans have been granted by the Company, there is no overdue amount remaining outstanding as at the balance sheet date. Hence, reporting under Clause 3(iii)(d) is not applicable.
 - e. No loan granted by the Company which has fallen due during the year, has been renewed or extended or fresh loans granted to settle the overdues of existing loans given to the same parties. Hence, reporting under clause 3(iii)(e) is not applicable.
 - f. The Company has not granted any loans or advances in the nature of loans either repayable on demand or without specifying any terms or period of repayment during the year. Hence, reporting under clause 3(iii)(f) is not applicable.

The Company has not provided any guarantee or security or granted any advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties.

- (iv) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Sections 185 and 186 of the Act with respect to the investments made, as applicable.
- (v) According to the information and explanations given to us, the company has not accepted any deposits from the public or amounts which are deemed to be deposits within the meaning of Sections 73 to 76 of the Act and the rules framed thereunder to the extent notified. Accordingly, reporting under clause 3(v) of the Order is not applicable.
- (vi) According to the information and explanations given to us, the maintenance of cost records has not been specified by the Central Government under sub-section (1) of Section 148 of the Companies Act, 2013 for the business activities carried out by the Company. Hence, reporting under clause 3(vi) of the Order is not applicable to the Company.
- (vii) In respect of statutory dues:
 - a. According to the information and explanations given to us, the Company has been regular in depositing undisputed statutory dues including Goods and Services Tax, Provident Fund, Employees' State Insurance, Income Tax, Advance Tax, sales-tax, service tax, duty of customs, duty of excise, VAT, cess and any other statutory dues to the appropriate authorities. Further, there are no undisputed amount payable in respect of the arrears of outstanding statutory dues as on 31st March, 2026 for a period of more than six months from the date they became payable.
 - b. As explained to us, there are no dues outstanding on account of any disputes.
- (viii) According to the information and explanation given to us, there were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessment under the Income Tax Act, 1961. Accordingly, clause 3(viii) of the Order is not applicable.
- (ix)
 - a. According to the information and explanation given to us, during the course of our audit, the company has not defaulted in repayment of loans or other borrowings or in the payment of interest to any lender.
 - b. According to the information and explanation given to us, and based on our examination, we report that the Company is not declared as wilful defaulter by any bank or financial institution or other lender.
 - c. According to the information and explanation given to us, and based on our examination, the Company has not taken any term loans.
 - d. According to the information and explanation given to us, and based on our examination, the Company has not raised any funds on short term basis which have been utilised for long term purposes.
 - e. According to the information and explanation given to us, and based on our examination, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures. Hence, reporting under Clause 3(ix)(e) of the order is not applicable.
 - f. According to the information and explanation given to us, the Company has not raised any loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies.
- (x)
 - a. According to the information and explanations given to us and based on our examination of the books and records, we report that the Company has not raised any money by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, reporting under clause 3 (x)(a) of the order is not applicable.
 - b. According to the information and explanations given to us and based on our examination of the books and records, we report that the company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally convertible) during the year. Accordingly, reporting under clause 3 (x)(b) of the order is not applicable.

- (xi) a. According to the information and explanations given to us and as represented by management and based on our examination of books and records of the Company and in accordance with generally accepted auditing practices, no fraud by the Company or on the Company has been noticed or reported during the year.
- b. No report under sub-section (12) of section 143 of the Companies Act has been filed by the auditors in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government during the year.
- c. According to the information and explanation given to us no whistle blower complaint has been received during the year by the Company.
- (xii) According to the information and explanations given to us and based on our examination, the Company is not a Nidhi Company, and hence reporting under clause 3 (xii) of the Order is not applicable.
- (xiii) According to the information and explanations given to us and based on our examination of the books and records, transactions with the related parties are in compliance with Sections 177 and 188 of the Act where applicable and details of such transactions have been disclosed in the Standalone Financial Statements as required by the applicable Accounting Standards.
- (xiv) a. According to the information and explanations given to us and based on our examination, the Company has an internal audit system commensurate with the size and nature of its business.
- b. The reports of the Internal Auditors for the period under audit were considered by us in determining the nature, timing and extent of our audit procedures.
- (xv) According to the information and explanations given to us and based on our examination of the books and records, the Company has not entered into any non-cash transactions with directors or persons connected with them during the year. Hence, reporting under clause 3 (xv) of the Order is not applicable.
- (xvi) a. According to the information and explanations given to us, the Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3 (xvi)(a) of the Order is not applicable.
- b. The Company has not conducted any Non-Banking Financial or Housing Finance activities during the year. Hence, reporting under clause 3 (xvi)(b) of the Order is not applicable.
- c. The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Hence, reporting under clause 3 (xvi)(c) of the Order is not applicable.
- d. In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable.
- (xvii) According to the information and explanations given to us and based on our examination, the Company has not incurred cash losses in the financial year and in the immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditor of the Company during the year.
- (xix) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company.

We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

- (xx) a. According to the information and explanations given to us, there is no unspent amount towards Corporate Social Responsibility (CSR) on other than ongoing projects requiring a transfer to a Fund specified in Schedule VII to the Act in compliance with second proviso to sub-section (5) of Section 135 of the said Act. Accordingly, reporting under clause 3(xx)(a) of the Order is not applicable for the year.
- b. There is no amount remaining unspent under sub-Section (5) of section 135 of the Companies Act, pursuant to any ongoing project. Hence, reporting under clause 3(xx)(b) is not applicable.

ANNEXURE - B TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph-2(A)(f) on Other Legal and Regulatory Requirements of our Report of even date to the members of Sumedha Fiscal Services Limited on the Standalone Financial Statements for the year ended 31st March, 2026)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to financial statements of Sumedha Fiscal Services Limited ("the Company") as of 31st March, 2026 in conjunction with our audit of the Standalone Financial Statements of the Company for the year ended on that date.

Management's and Board of Directors' Responsibility for Internal Financial Controls

The Company's management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation, and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to Financial Statements

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles including the Ind AS, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls with reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected.

Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system with reference to Standalone financial statements and such internal financial controls with reference to financial statements were operating effectively as at 31st March 2026, based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes forming part of the Standalone Financial Statements for the year ended 31st March, 2026

Corporate Information

The Company (CIN: L70101WB1989PLC047465) was incorporated in the year 1989 as a Public Limited Company under the provisions of the Companies Act, 1956 and domiciled in India. The Company is Category -I Merchant Banker registered with Securities and Exchange Board of India (SEBI) with PAN India presence. The Equity Shares of the Company is listed on Stock Exchange i.e. BSE Limited. The registered office of the Company is situated at 6A, Geetanjali Apartments, 8B Middleton Street, Kolkata – 700071, West Bengal, India.

The Standalone Financial Statements for the year ended 31st March, 2026 have been approved by the Board of Directors of the Company in their meeting held on 24th May, 2026.

1. MATERIAL ACCOUNTING POLICY INFORMATION

This note provides a list of the material accounting policies adopted in the preparation of the financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

1.1 Basis of Preparation

1.1.1 Compliance with Ind AS

The financial statements have been prepared in accordance with the applicable Indian Accounting Standards (Ind AS) under Section 133 of the Companies Act, 2013 (“the Act”) read with the Companies (Indian Accounting Standards) Rules and other relevant provisions of the Act and Rules thereunder, as amended from time to time.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

These Financial Statements are prepared in Indian Rupees (INR) which is also the Company’s presentation and functional currency and all the values are rounded to the nearest hundreds (up to two decimals) except when otherwise indicated.

The Company has prepared the financial statements on the basis that it will continue to operate as a going concern.

1.1.2 Historical Cost Convention

These financial statements have been prepared in accordance with the generally accepted accounting principles in India under the historical cost convention, except for the following:

- i) certain financial assets and liabilities (including derivative instruments) and contingent consideration that is measured at fair value through the Statement of Profit and Loss and amortized cost;
- ii) defined benefits plan – plan assets measured at fair value;

1.1.3 Classification of Current and Non-Current

All assets and liabilities have been classified as current or non-current as per the Company’s normal operating cycle and other criteria set out in the Ind AS 1 – Presentation of Financial Statements and Schedule III to the Act. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current/non-current classification of assets and liabilities.

1.2 Foreign Currency Translation

Foreign currency transactions are translated into Indian Rupee (INR) which is the functional currency (i.e. the currency of the primary economic environment in which the entity operates) using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are recognised in the Statement of Profit and Loss.

1.3 Use of Estimates and Judgements

The Preparation of the financial statements in conformity with the generally accepted accounting principles in India requires the management to make estimates and assumptions that affects the reported amount of assets and liabilities as at the Balance Sheet date, the reported amount of revenue and expenses for the periods and disclosure of contingent liabilities at

Notes forming part of the Standalone Financial Statements for the year ended 31st March, 2026

the Balance Sheet date. The estimates and assumptions used in the financial statements are based upon management's evaluation of relevant facts and circumstances as of the date of the financial statements. Actual results could differ from estimates.

1.4 Fair Value measurement

The Company measures financial instruments at fair value at each reporting date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

1.5 Property, Plant and Equipment

Freehold Land is carried at historical cost. All other items of property, plant and equipment are stated at carrying value less accumulated depreciation. The carrying value includes expenditure that is directly attributable to the acquisition of the assets.

The carrying amount of any component accounted for as a separate asset is derecognized when replaced.

Depreciation methods, estimated useful lives and residual value

Depreciation is calculated using the straight-line method to allocate their cost, net of their residual values on the basis of useful lives prescribed in Schedule II to the Act which are also supported by technical evaluation. Item of Property, Plant and Equipment for which related actual cost do not exceed Rs. 5,000 are fully depreciated in the year of purchase. In respect of the following assets, useful lives as per Schedule II to the Act have been considered, as under:-

- | | |
|----------------------------|----------|
| • Non-factory Buildings | 60 years |
| • Electrical Installations | 10 years |
| • Computers | 3 years |
| • Office Equipment | 5 years |
| • Furniture & Fixtures | 10 years |
| • Motor Vehicles | 8 years |
| • Server & Network | 6 years |

The assets' residual values and useful lives are reviewed, and adjusted, if necessary, at the end of each reporting period.

1.6 Investment Property

Property that is held for long term rentals yields or for capital appreciation or both and that is not occupied by the company, is classified as investment property. Investment property is measured at Cost Model, including related transaction costs and where applicable, borrowing costs. Subsequent expenditure is capitalized to the asset's carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the company and the cost of the item can be measured reliably.

Investment properties are depreciated using the straight-line method over their estimated useful lives. Investment properties generally have a useful life of 60 years.

Notes forming part of the Standalone Financial Statements for the year ended 31st March, 2026

1.7 Intangible Assets

Computer Software: Costs associated with maintaining of software programmes are recognised as an expense as incurred. Costs of purchased software are recorded as intangible assets and amortised from the point at which the asset is available for use.

Amortisation methods and period: The Company amortises intangible assets with a finite useful life using the straight-line method over the following periods:

Computer Software: 3 years

1.8 Investments and other Financial Assets

1.8.1 Classification

The Company classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income, or through the Statement of Profit and Loss), and
- those measured at amortised cost

The classification depends on the Company's business model for managing the financial assets and the contractual terms of cash flows.

1.8.2 Measurement

At initial recognition, the Company measures a financial asset at its fair value. Transaction costs of financial assets carried at fair value through the Statement of Profit and Loss are expensed as profit or loss.

Financial assets with embedded derivatives are considered in their entirety when determining whether their cash flows are solely payment of principal and interest.

Debt Instruments

Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. The Company classifies its debt instruments into the following categories:

- **Amortised cost:** Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. Interest income from these financial assets is included in finance income.
- **Fair value through Other Comprehensive Income (FVTOCI):** The Company subsequently measures its debt instruments as FVTOCI, only if both of the following criteria are met:
 - The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets; and
 - Contractual terms of the asset give rise on specified dates to cash flows that are Solely Payments of Principal and Interest (SPPI) on the principal amount outstanding.

The Company measures debt instruments included within the FVTOCI category at each reporting date at fair value with such changes being recognised in Other Comprehensive Income (OCI). The Company recognises the income on these assets in Statement of Profit and Loss.

- **Fair value through profit or loss (FVTPL) :** Assets that do not meet the criteria for amortised cost or FVTOCI are measured at fair value through profit or loss. Interest income from these financial assets is included in finance income.

Equity Instruments

The Company subsequently measures all equity investments (except subsidiary and associates) at fair value through the Statement of Profit and Loss. However, where the Company's management makes an irrevocable choice on initial recognition to present fair value gains or losses on specific equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses through the Statement of Profit and Loss.

Notes forming part of the Standalone Financial Statements for the year ended 31st March, 2026

1.8.3 Impairment of Financial Assets

The Company measures the expected credit loss associated with its assets based on historical trend, industry practices and the business environment in which the entity operates or any other appropriate basis. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

1.8.4 De-recognition of Financial Assets

A financial asset is derecognised only when

- The right to receive cash flows from the asset has expired, or
- The Company has transferred the rights to receive cash flows from the financial asset, or
- Retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the Company has not retained control of the financial asset.

1.8.5 Reclassification of Financial assets

The Company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification of financial assets like equity instruments and financial liabilities is made. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. If the Company reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The Company does not restate any previously recognised gains, losses (including impairment gains or losses) or interest.

The following table shows various reclassification and how they are accounted for:

Original classification	Revised classification	Accounting treatment
Amortised cost	FVTPL	Fair value is measured at reclassification date. Difference between previous amortized cost and fair value is recognised as profit or loss.
FVTPL	Amortised Cost	Fair value at reclassification date becomes its new gross carrying amount. EIR is calculated based on the new gross carrying amount.
Amortised cost	FVTOCI	Fair value is measured at reclassification date. Difference between previous amortised cost and fair value is recognised in OCI. No change in EIR due to reclassification.
FVTOCI	Amortised cost	Fair value at reclassification date becomes its new amortised cost carrying amount. However, cumulative gain or loss in OCI is adjusted against fair value. Consequently, the asset is measured as if it had always been measured at amortised cost.
FVTPL	FVTOCI	Fair value at reclassification date becomes its new carrying amount. No other adjustment is required.
FVTOCI	FVTPL	Assets continue to be measured at fair value. Cumulative gain or loss previously recognized in OCI is reclassified from equity to profit or loss on the reclassification date.

1.9 Derivatives and Hedging Activities

The Company enters into certain derivative contracts to hedge risks which are not designated as hedges. Such contracts are accounted for at fair value through the profit or loss and are included in other income/expenses.

1.10 Cash and Cash Equivalents

Cash and cash equivalents comprise cash at bank and in hand, including offsetting bank overdrafts, and short-term highly liquid investments that are readily convertible to known amounts of cash, have a maturity of three months or less from the acquisition date.

Notes forming part of the Standalone Financial Statements for the year ended 31st March, 2026

1.11 Earnings per Share

Basic Earnings Per Share

Basic earnings per share are calculated by dividing the net profit after tax for the year attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the year.

Diluted Earnings per Share

For the purpose of calculating diluted earnings per share, the net profit after tax for the year attributable to equity shareholders of the Company and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

1.12 Trade Receivables

Trade Receivables are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method, less provision for impairment, if any.

The Company applies a simplified approach in calculating Expected Credit Loss (ECLs). Therefore, the Company does not track changes in credit risk, but instead recognises a loss allowance based on lifetime ECLs at each reporting date. The Company establishes a provision that is based on its historical credit loss experience, adjusted for forward-looking factors specific to the debtors and the economic environment. The assessment of the correlation between historical observed default rates, forecast economic conditions and ECLs is a significant estimate.

No trade or other receivable are due from directors or other officers of the company either severally or jointly with any other person. Nor any trade or other receivable are due from firms or private companies respectively in which any director is a partner, a director or a member.

1.13 Inventories

The Company makes trading in Equity Shares of companies in India. Inventories of Equity Shares and securities are valued at fair value and the gain/ loss is recognised through the Statement of Profit and Loss.

1.14 Financial Liabilities

1.14.1 Initial recognition and measurement

The Company recognises all the financial liabilities on initial recognition at fair value minus, in the case of a financial liability not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition or issue of the financial liability.

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, financial guarantee contracts and derivative financial instruments.

1.14.1 Subsequent measurement

All the financial liabilities are classified as subsequently measured at amortised cost, except for those mentioned below.

1.14.2 De-recognition of Financial Liabilities

A financial liability is de-recognized when the obligation under the liability is discharged or cancelled or expired. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the Statement of Profit & Loss.

1.14.3 Financial Liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the company that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109.

Gains or losses on liabilities held for trading are recognised in the Statement of Profit and Loss.

Notes forming part of the Standalone Financial Statements for the year ended 31st March, 2026

For liabilities designated as Fair Value through profit or loss, fair value gains/losses attributable to changes in own credit risks are recognized in Other Comprehensive Income. These gains/losses are not subsequently transferred to the Statement of Profit and Loss. However, the Company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the Statement of Profit and Loss.

1.15 Trade and Other Payables

These amounts represent liabilities for goods and services provided to the company prior to the end of financial year which are unpaid. The amounts are unsecured and usually paid within 30 days of recognition. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period.

1.16 Borrowings

Borrowings are initially recognized at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transactions cost) and the redemption amount is recognized in the Statement of Profit and Loss over the period of the borrowings using the effective interest method. Fees paid on the establishment of loan facilities are recognized as transaction costs of the loan to the extent that it is probable that sum or all of the facility will be drawn down. In the case, the fees is deferred until the draw down occurs. To the extent there is no evidence that it is probable that sum or all of the facility will be drawn down, the fee is capitalized as a prepayment for liquidity services and amortized over the period of the facility to which it relates.

The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognized in the Statement of Profit and Loss as other gains/(losses).

1.17 Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognised when there is a present obligation as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation.

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. The Company also discloses present obligations for which a reliable estimate cannot be made as a contingent liability. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Contingent Assets are not recognised but are disclosed when an inflow of economic benefits is probable.

1.18 Employee Benefits

1.18.1 Short-term Employee Benefits

These are recognised at the undiscounted amount as expense for the year in which the related service is rendered.

1.18.2 Other Long-term Employee Benefits (Unfunded)

The cost of providing long-term employee benefits is determined using Projected Unit Credit Method with actuarial valuation being carried out at each Balance Sheet date. Actuarial gains and losses and past service cost are recognised immediately in the Statement of Profit and Loss for the period in which they occur. Long term employee benefit obligation recognised in the Balance Sheet represents the present value of related obligation.

1.18.3 Post-employment Benefit & Plans

Contributions under Defined Contribution Plans payable in keeping with the related schemes are recognised as expenditure for the year.

In case of Defined Benefit Plans, the cost of providing the benefit is determined using the Projected Unit Credit Method with actuarial valuation being carried out at each Balance Sheet date. Actuarial gains and losses are recognised in full in the Other Comprehensive Income for the period in which they occur. Past service cost is recognised immediately to the extent that the benefits are already vested, and otherwise is amortised on a straight-line basis over the average period until the benefits become vested. The retirement benefit obligation recognised in the Balance Sheet represents the present value of the defined benefit obligation as adjusted for unrecognised past service cost, if any, and as reduced by the fair value of plan assets, where funded. Any asset

Notes forming part of the Standalone Financial Statements for the year ended 31st March, 2026

resulting from this calculation is limited to the present value of any economic benefit available in the form of refunds from the plan or reductions in future contributions to the plan.

1.19 Impairment of Non-Financial Assets

Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher on an asset's fair value less costs of disposal and value in use.

For the purpose of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash flows which are largely independent of the cash flows from other assets or group of assets (cash-generating units). Non-financial assets that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

1.20 Segment Reporting

The Company has identified that its operating segments are the primary segments. The Company's operating businesses are organized and managed separately according to the nature of products, with each segment representing a strategic business unit and offering different products and serving different markets.

1.21 Borrowing Costs

Interest and other borrowing costs attributable to qualifying assets are capitalised. Other interest and borrowing costs are charged to the Statement of Profit and Loss.

1.22 Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the Balance Sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

1.23 Revenue Recognition

Revenue is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services. Revenue is measured based on the consideration specified in a contract with a customer and excludes amounts collected on behalf of third parties.

The specific recognition criteria followed by the Company are described below:

1.23.1 Sale of Services

Timing of recognition: Revenue is recognised when no significant uncertainty as to its determination exists. The primary business of the Company is Investment Banking, Financial Consultancy and Wealth Management. The revenue in consultancy is recognised in terms of mandate and on completion of the assignment.

Goods and Services Tax (GST) is not received by the Company on its own account. Rather it is tax collected on the value added to the product by the seller on behalf of the Government. Accordingly, it is excluded from revenue.

Measurement of revenue: Estimates of revenues, costs or extent of progress towards completion are revised if circumstances change. Any resultant increases or decreases in estimated revenues or costs are reflected in the Statement of Profit and Loss in the period in which the circumstances that give rise to the revision become known by management.

1.23.2 Sale of Goods

Revenue is recognised when control of the goods are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods.

1.23.3 Insurance and other Claims / refunds

Insurance and Other claims are recognized when there is a reasonable certainty of recovery.

Notes forming part of the Standalone Financial Statements for the year ended 31st March, 2026

1.23.4 Interest

Revenue is recognised on a time proportion basis taking into account the amount outstanding and the rate applicable.

1.23.5 Dividend

Dividend is recognised when the right to receive the payment is established.

1.24 Accounting for Taxes on Income

Provision for current tax is made as per the provisions of the Income Tax Act, 1961.

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date. Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements at the reporting date. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred Tax Liabilities are recognised for all temporary taxable differences. Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilize those temporary differences and losses.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Current and deferred tax is recognised in the Statement of Profit and Loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

1.25 Recent pronouncements

The Ministry of Corporate Affairs (“MCA”) notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time.

In May 2025, MCA notified amendments to Ind AS 21 - The Effects of Changes in Foreign Exchange Rates, applicable w.e.f. April 1, 2025. The Company has reviewed the amendment and based on its evaluation has determined that it does not have any significant impact in its financial statements.

In August 2025, MCA notified the following amendments to:

1. Ind AS 1, Presentation of Financial Statements, applicable w.e.f. April 1, 2025 – The amendment relates to classification of liabilities as current or noncurrent and non-current liabilities with covenants. In the context of classifying a liability as current, it removes the requirement of existence of a right to defer settlement for at least 12 months after the reporting date and instead requires that the said right should exist on the reporting date and have substance.

The amendment also introduces guidance on classification of liabilities with covenants. The Company has no impact of these amendments in its classification criteria of current and non-current liabilities.

2. Ind AS 7, Statement of Cash Flows and Ind AS 107, Financial Instruments: Disclosures, applicable w.e.f. April 1, 2025 – The amendment in Ind AS 7 requires to inform users of financial statements of the existence of supplier finance arrangements and explain the nature of the arrangements, the carrying amount of liabilities and the range of payment

Notes forming part of the Standalone Financial Statements for the year ended 31st March, 2026

due dates. Ind AS 107 has been amended to add supplier finance arrangements as a factor that may cause concentration of liquidity risk. The Company has reviewed the amendment and based on its evaluation has determined that it does not have any significant impact in its financial statements.

3. Ind AS 12, International Tax Reform – Pillar Two Model Rules applicable immediately - The amendments provide a temporary mandatory relief from deferred tax accounting for top-up tax and disclose that they have applied the relief. This relief is immediate and applies retrospectively. The Company has reviewed the amendment and based on its evaluation has determined that it does not have any significant impact in its financial statements.

30. CORPORATE SOCIAL RESPONSIBILITY (CSR)

As per Section 135 of the Companies Act, 2013, a company, meeting the applicability threshold, needs to spend at least 2% of its average net profit for the immediately preceding three financial years on corporate social responsibility (CSR) activities. In accordance with the provisions of the Companies Act, 2013 read with Rules made thereunder, the Company is not required to make CSR contribution for the Financial Year 2025-26.

Pursuant to the provisions of Section 135(9) of the Companies Act, 2013, if the amount required to be spent by a company under Section 135(5) does not exceed Rs. 50 Lakhs, the constitution of a Corporate Social Responsibility (CSR) Committee is not mandatory. In such cases, the functions of the CSR Committee shall be carried out by the Board of Directors. Accordingly, at its meeting held on August 12, 2024, the Board of Directors approved the dissolution of the CSR Committee and resolved to assume all responsibilities related to CSR activities directly.

36. BALANCE CONFIRMATION

Outstanding balances of Trade Receivables, Advances are subject to confirmation from the respective parties and consequential adjustments arising from reconciliation if any. The management, however, is of the view that there will be no material discrepancies in this regard.

37. EMPLOYEE BENEFITS

A. Impact of Labour Code

A provision of Rs.17.48 Lakhs has been recognised in the Standalone Financial Statements in accordance with the New Labour Code announced by the Government of India on 21st November, 2025, with respect to net liability for Gratuity related to past service cost, as per the actuarial valuation report, and the same has been debited to Employee Benefits Expenses for the year ended 31st March, 2026.

Notes forming part of the Standalone Financial Statements for the year ended 31st March, 2026

B. Defined Benefit Plans

Defined Benefit Plans expose the Company to actuarial risk such as: Interest Rate Risk, Liquidity Risk, Salary Escalation Risk, Demographic Risk and Regulatory Risk.

- i. **Interest Rate Risk:** The plan exposes the Company to the risk of fall in interest rates. A fall in interest rates will result in an increase in the ultimate cost of providing the above benefit and will thus result in an increase in the value of the liability (as shown in the Standalone Financial Statements).
- ii. **Liquidity Risk:** This is the risk that the Company is not able to meet the short-term benefit payouts. This may arise due to non-availability of enough cash/ cash equivalents to meet the liabilities or holding of illiquid assets not being sold in time.
- iii. **Salary Escalation Risk:** The Present Value of the defined benefit plan is calculated with the assumption of salary increase rate of plan participants in future. Deviation in the rate of increase of salary in future for plan participants from the rate of increase in salary in future for plan participants from the rate of increase in salary used to determine present value of obligation will have a bearing on the plan's liability.
- iv. **Demographic Risk:** The Company has used certain mortality and attrition assumptions in valuation of the liability. The Company is exposed to the risk of actual experience turning out to be worse compared to the assumption.
- v. **Regulatory Risk:** Gratuity benefit is paid in accordance with the requirements of the Payment of Gratuity Act, 1972 (as amended from time to time). There is a risk of change in regulations requiring higher gratuity payouts (e.g. Increase in the maximum limit on gratuity of Rs. 20,00,000).

Gratuity Plans

The Company has a defined benefit gratuity plan. Every employee who has completed five years or more of service is entitled to gratuity on terms not less favorable than the provisions of The Payment of Gratuity Act, 1972. The above Scheme is funded.

(ii) Fair value disclosure of financial assets and financial liabilities measured at carrying value and amortized cost:

(Rs. in Hundreds)

Particulars	As at 31st March, 2026			As at 31st March, 2025		
	Level 1	Level 2	Level 3	Level 1	Level 2	Level 3
Financial Liabilities						
Other Financial Liabilities	-	-	34,839.74	-	-	68,140.84

Level 1 - hierarchy includes financial instruments valued using quoted market prices. Listed equity instruments and traded debt instruments which are traded in the stock exchanges are valued using the closing price at the reporting date. Mutual funds are valued using the closing NAV.

Notes forming part of the Standalone Financial Statements for the year ended 31st March, 2026

Level 2 - hierarchy includes financial instruments that are not traded in the active market. This includes instruments valued using observable market data such as yield etc. of similar instruments traded in the active market.

Level 3 - if one or more significant inputs are not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity instruments and certain debt instruments which are valued using assumptions from market participants.

(iii) Valuation techniques used for valuation of instruments categorized as Level 3

For valuation of investments in equity shares of associates which are unquoted, peer comparison has been performed wherever available. Valuation has been primarily done based on the cost approach wherein the net worth of the Company is considered and the price to book multiple is used to arrive at the fair value. In cases where income approach was feasible valuation has been arrived using the earnings capitalization method. For inputs that are not observable for these instruments, certain assumptions are made based on available information. The most significant of these assumptions are the discount rate and credit spreads used in the valuation process. For valuation of investments in debt securities categorized as level 3, market polls which represent indicative yields are used as assumptions by market participants when pricing the asset.

(iv) Financial Instrument- Financial Risk Management

The Company's activity exposes it to various risks such as market risk, liquidity risk and credit risks. This section explains the risks which the Company is exposed to and how it manages the risks.

A. Market Risk

Market risk is the risk that changes in market prices, such as foreign exchange risk rates, interest rates and equity prices which will affect the Company's income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return. The Company's main business activity, financial consulting, has no or limited entry barrier. Entry of Banks and large consulting firms has increased competition.

(i) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company is exposed to interest rate risk on financial liabilities such as long-term borrowings.

The Company is also exposed to interest rate risk on its financial assets that include fixed deposits.

(ii) Price Risk

The Company's exposure to equity securities price risk arises from investments held by the Company and classified in the Balance Sheet as fair value through Profit or Loss. The majority of the Company's equity investments are publicly traded.

(iii) Sensitivity analysis- Equity price risk

The table below summarises the impact of increase/decrease of the market price of the listed instruments on the Company's equity and profit for the period. The analysis is based on the assumption that market price had increased by 2% or decreased by 2 %.

Particulars	(Rs. in Hundreds)			
	Impact on Profit or Loss		Impact on other components of equity	
	31st March, 2026	31st March, 2025	31st March, 2026	31st March, 2025
Market Price increases by 2%	2,438.43	3,185.51	-	-
Market Price decreases by 2%	(2,438.43)	(3,185.51)	-	-

Notes forming part of the Standalone Financial Statements for the year ended 31st March, 2026

B. Liquidity Risk

The Company determines its liquidity requirements in the short, medium and long term. This is done by drawing up cash forecast for short and medium-term requirements and strategic financing plans for long term needs.

The Company manages its liquidity risk in a manner so as to meet its normal financial obligations without any significant delay or stress. Such risk is managed through ensuring operational cash flow while at the same time maintaining adequate cash and cash equivalents position. This is generally carried out in accordance with practice and limits set by the Company.

(i) Maturity Analysis

The Company's financial liabilities into relevant maturity groupings based on their contractual maturities as disclosed in the table are the contractual undiscounted cash flows. The impact of discounting is not significant.

(Rs. in Hundreds)

Particulars	Less than 1 Year	1 Year to 2 year	2 Year to 5 Years	More than 5 Years	Total
Contractual maturities of financial liabilities as at 31st March, 2026

Non- Derivatives					
Other Financial Liabilities	61,118.03	927.80	3,064.27	3,030.74	68,140.84

C. Credit Risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligation, and arises principally from the Company's receivables from customers, stock exchanges and clearing members. The carrying amount of financial assets represents the maximum credit exposure. Security deposit with stock exchanges and clearing members mainly represents the margin money to cover the regular trading exposure in stock exchanges backed by margin collected from clients and has very insignificant credit risk.

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each client. However, management also considers the factors that may influence the credit risk of its customer base, including the default risk associated with the industry.

Financial assets are written off when there is no expectation of recovery such as debtors failing to engage in a repayment plan with the Company. Where loans and receivables have been written off, the Company continues to engage in enforcement activity to attempt to recover the receivable due. Where necessary, the Company has adopted the policy of creating expected credit loss where recoveries are not made, these are organised as expense in the Statement of Profit and Loss.

43. SEGMENT REPORTING

The Company is primarily engaged in the business of “Investment Banking” which constitutes a single reporting segment and the management monitors the operating results of its business units as a whole for the purpose of making decisions about resource allocation and performance assessment. Segment performance is evaluated based on profit or loss in the Standalone Financial Statements, thus, there are no additional disclosures to be provided under Ind AS 108 - “Operating Segments.”

44. CAPITAL ADVANCES

Capital Advances represent an amount of Rs. 62,560.00 (in hundreds) towards the booking of two flats at Mumbai against total consideration of Rs. 84,500.00 (in hundreds) in the Financial Year 2008. The Company is yet to receive the possession and therefore due to abnormal delay, the Company had filed the case at the RERA court, Mumbai against builder in Financial Year 2019-20. In the Financial Year 2024-25, the RERA court has ordered the Builder to refund the entire amount paid by the Company. In the opinion of the management, no provision is required in this regard.

- 45.** The Board of Directors have recommended a dividend at the rate of Re. 1 per share (face value Rs. 10) (previous year Re.1.00) for the year ended 31st March, 2026, subject to approval of the shareholders at the ensuing Annual General Meeting.

As per the requirements of Ind AS, the Company is not required to provide for proposed dividend declared after the Balance Sheet date. Consequently, no provision has been made in respect of the aforesaid dividend proposed by the Board of Directors for the year ended 31st March, 2026. Had the company continued with the creation of the provision of the proposed dividend as at the Balance Sheet date, its surplus in the Statement of Profit and Loss would have been lower by Rs. 79,844.24 (in Hundreds) (Previous Year Rs. 79,844.24 (in Hundreds)) on account of dividend and the short-term provision would have been higher by the said amount of Rs. 79,844.24 (in Hundreds) (Previous Year Rs. 79,844.24 (in Hundreds)).

- 46.** During the year, Unclaimed Dividend amounting to Rs.1,702.42 (in Hundreds) relating to financial year 2017-18 has been transferred to Investor Education and Protection Fund Account as per section 124(5) of the Companies Act, 2013.

Notes forming part of the Standalone Financial Statements for the year ended 31st March, 2026

Basis for Opinion

We conducted our audit of the Consolidated Financial Statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the Consolidated Financial Statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics.

We believe that the audit evidence obtained by us and by the other auditors in terms of their reports referred in Other Matters paragraph below is sufficient and appropriate to provide a basis for our audit opinion on the Consolidated Financial Statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated Financial Statements of the current year. These matters were addressed in the context of our audit of the Consolidated Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the Key Audit Matters to be communicated in our report.

Key Audit Matters	Response to Key Audit Matters
Property, Plant and Equipment There are areas where management judgement impacts the carrying value of property, plant and equipment, intangible assets, investment property and their respective depreciation rates. We do not consider this management judgement to be of high risk of significant misstatement or to be subject to significant level of judgment. However, due to their materiality in the context of the Balance Sheet of the Holding Company, this is considered to be an area which had the significant effect on the overall audit strategy and allocation of resources in planning and completing our audit.	We assessed the controls in place over the Property, Plant & Equipment, evaluated the appropriateness of capitalization process, performed tests of details on costs capitalised, the timeliness of the capitalization of the assets and the de-recognition criteria for assets retired from active use. In performing these procedures, we reviewed the judgements made by management including the nature of underlying costs capitalised; determination of realizable value of the assets retired from active use; the appropriateness of assets lives applied in the calculation of depreciation; and the useful lives of assets prescribed in Schedule II to the Act and as per significant accounting policies of the Holding Company.

Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Corporate Governance and Shareholder's Information, but does not include the Consolidated Financial Statements and our Auditor's Report thereon.

Our opinion on the Consolidated Financial Statements does not cover the other information and we do not express any form of assurance or conclusion thereon.

In connection with our audit of the Consolidated Financial Statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the Consolidated Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, we conclude, based on the work we have performed, and report of the other auditors as furnished to us (refer other matter para below) on the other information obtained prior to the date of Auditor's Report, that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and those charged with governance for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of these Consolidated Financial Statements in term of the requirements of the Act that give a true and fair view of the consolidated financial position, consolidated financial performance (including other comprehensive income), Consolidated Changes in Equity and consolidated Cash Flows of the Group including its Associate entities in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act. The respective Board of Directors of the companies included in the Group and of its associate entities are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and its Associate entities and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Consolidated Financial Statements by the Directors of the Holding Company, as aforesaid.

In preparing the Consolidated Financial Statements, the respective Board of Directors of the companies included in the Group and its associate entities are responsible for assessing the ability of the Group and its associate entities to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group and its associate entities are also responsible for overseeing the financial reporting process of the Group and its associates entities.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Group and its associate entities have adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associate entities to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our Auditor's Report to the related disclosures in the Consolidated Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditor's Report. However, future events or conditions may cause the Group and its associate entities to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Consolidated Financial Statements, including the disclosures, and whether the Consolidated Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its associate entities to express an opinion on the Consolidated Financial Statements. We are responsible for the direction, supervision and performance of the audit of the financial information of such entities included in the Consolidated Financial Statements of which we are the independent auditors. For the other entities included in the Consolidated Financial Statements, which have been audited by other auditors, such other auditors remains responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion. Our responsibilities in this regard are further described in the section titled "Other Matters" in this audit report.

We communicate with those charged with governance of the Holding Company and such other entities included in the Consolidated Financial Statements of which we are the independent auditors regarding, other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our Auditor's Report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

- e) on the basis of the written representations received from the directors of the Holding Company as on 31st March, 2026 and taken on record by the Board of Directors of the Holding Company and the report of the Statutory Auditor of Subsidiary and the information from Associate entities, none of the directors of the Group companies and its associate entities incorporated in India is disqualified as on 31st March, 2026 from being appointed as a director in terms of Section 164(2) of the Act;
- f) with respect to the adequacy of the internal financial controls with reference to financial statements of the Holding Company, its subsidiary and associate entities incorporated in India and the operating effectiveness of such controls, refer to our separate report in “Annexure A”;
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the managerial remuneration paid/provided by the Holding Company, its subsidiary company and its associate entities incorporated in India, on the basis of report of the other statutory auditor, and the information from the Associate entities during the year is in accordance with the provisions of Section 197 read with Schedule V to the Act, relating to Managerial Remuneration; and

- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the report of the other auditor on the financial statements of the subsidiary and the Associate entities, as noted in other matter paragraph:

- i. The Consolidated Financial Statements disclose the impact if any of pending litigations on its consolidated financial position of the Group and its associate entities;
 - ii. the Group has made provision, as required under the applicable law or Indian Accounting Standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts; and
 - iii. there has been no delay in transferring the amounts required to be transferred to the Investor Education and Protection Fund by the Group and its associate entities incorporated in India in accordance with the relevant provisions of the Act and the Rules made there under.
- iv. (a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Group and its associate entities to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Group and its associate entities ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (b) The management has represented, that, to the best of its knowledge and belief, no funds have been received by the Group and its associate entities from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and;
 - (c) Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e) contain any material misstatement.
- v. The final dividend paid by the Holding Company during the current year in respect of the same declared for the previous year is in accordance with section 123 of the Companies Act, 2013 to the extent it applies to payment of dividend. As stated in note 47 to the Consolidated Financial Statements, the Board of Directors of the Holding Company have proposed final dividend for the current year which is subject to the approval of the members at the ensuing Annual General Meeting. The dividend declared is in accordance with section 123 of the Act to the extent it applies to declaration of dividend.
 - vi. Based on our examination which included test checks and that performed by the respective auditors of the subsidiary and associate entities which are companies incorporated in India whose financial statements have been audited under the Act, the Holding company, subsidiary and associate entities have used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the financial year ended 31st March, 2026 for all relevant transactions recorded in the software. Further, during the course of our audit, we and respective auditors of the subsidiary and associate entities did not come across any instance of audit trail feature being tampered with.

- 2) With respect to the matters specified in paragraphs 3(xxi) and 4 of the Companies (Auditor's Report) Order, 2020 ("the Order"/"CARO") issued by the Central Government of India in terms of Section 143(11) of the Act, to be included in the Auditor's report, according to the information and explanations given to us, and based on the CARO reports issued by us for the Holding Company and its Subsidiary and Associate entities included in the Consolidated Financial Statements of the Company, to which CARO is applicable, we report that there are no qualifications or adverse remarks in these CARO Reports.

ANNEXURE - A TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph-1(f) on Other Legal and Regulatory Requirements of our Report of even date to the members of Sumedha Fiscal Services Limited on the Consolidated Financial Statements for the year ended 31st March, 2026)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the Consolidated Financial Statements as of and for the year ended 31st March, 2026, we have audited the internal financial controls with reference to Consolidated Financial Statements of Sumedha Fiscal Services Limited ("the Holding Company") and its subsidiary company (collectively referred to as "the Group") and its associate entities, which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company, its subsidiary and its associate entities which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls with reference to Consolidated Financial Statements based on the criteria established by the respective Companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("the ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the internal financial controls with reference to Consolidated Financial Statements of the Group and its associate entities, which are companies incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India (ICAI) and the Standards on Auditing issued by ICAI, and prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to Consolidated Financial Statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to Consolidated Financial Statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to Consolidated Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to Consolidated Financial Statements included obtaining an understanding of internal financial controls with reference to Consolidated Financial Statements, assessing the risk that a material weakness exists & testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to financial statements of the Group and its associate entities, which are companies incorporated in India.

Meaning of Internal Financial Controls with reference to Consolidated Financial Statements

A company's internal financial control with reference to Consolidated Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to Consolidated Financial Statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Consolidated Financial Statements

Because of the inherent limitations of internal financial controls with reference to Consolidated Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Consolidated Financial Statements to future periods are subject to the risk that the internal financial control with reference to Consolidated Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, and to the best of our information and according to the explanations given to us, the Holding Company, its subsidiary and its associate entities which are incorporated in India, have in all material respects, an adequate internal financial controls with reference to Consolidated Financial Statements and such internal financial controls were operating effectively as at 31st March, 2026, based on the internal financial controls with reference to Consolidated Financial Statements criteria established by the respective Companies considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matters

Our aforesaid report under Section 143(3) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to Consolidated Financial Statements in so far as it relates to subsidiary Company and Associate entities is based on the corresponding report of the auditor of respective Companies.

Notes forming part of the Consolidated Financial Statements for the year ended 31st March, 2026

Corporate Information

The Consolidated Financial Statements comprise Financial Statements of Sumedha Fiscal Services Limited (hereinafter referred to as the “Holding Company”), and its subsidiary (collectively referred to as the Group) and its associate entities for the year ended 31st March, 2026.

The Holding Company (CIN: L70101WB1989PLC047465) was incorporated in the year 1989 as a Public Limited Company under the provisions of the Companies Act, 1956 and domiciled in India. The Company is Category - I Merchant Banker registered with Securities and Exchange Board of India (SEBI) with PAN India presence. The Equity Shares of the Company is listed on Stock Exchange i.e. BSE Limited. The registered office of the Company is situated at 6A, Geetanjali Apartments, 8B Middleton Street, Kolkata – 700071, West Bengal, India.

The Consolidated Financial Statements for the year ended 31st March, 2026 have been approved by the Board of Directors of the Company in their meeting held on 24th May, 2026.

1. MATERIAL ACCOUNTING POLICY INFORMATION

This note provides a list of the material accounting policies adopted in the preparation of the financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

1.1 Basis of Preparation

1.1.1 Compliance with Ind AS

These consolidated financial statements have been prepared in accordance with the applicable Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Companies Act, 2013 (“the Act”) read with the Companies (Indian Accounting Standards) Rules and other relevant provisions of the Act and Rules thereunder, as amended from time to time.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

These consolidated financial Statements are prepared in Indian Rupees (INR) which is also the Company’s functional currency and all the values are rounded to the nearest hundreds (up to two decimals) except when otherwise indicated.

The Group has prepared the Consolidated Financial Statements on the basis that it will continue to operate as a going concern.

1.1.2 Basis of Consolidation

1.1.2.1 Subsidiary

The Consolidated Financial Statements comprise the Financial Statements of Sumedha Fiscal Services Limited and its subsidiary as at 31st March, 2026. The control is achieved when the Group is exposed, or has rights, to variable returns from its involvement with the investee and has the ability to affect those returns through its power over the investee. Specifically, the Group controls an investee if and only if it has:

- Power over the investee
- Exposure, or rights, to variable returns from its involvement with the investee, and
- The ability to use its power over the investee to affect its returns.

The Group re-assesses whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements of control listed above. The Consolidation of a subsidiary begins when the Group obtains control over the subsidiary and ceases when the Group loses control of the subsidiary. Assets, liabilities, income and expenses of a subsidiary acquired or disposed of during the year are included in the consolidated financial statements from the date the Group gains control until the date the Group ceases to control the subsidiary.

The Consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances. If a member of the group uses accounting policies other than

Notes forming part of the Consolidated Financial Statements for the year ended 31st March, 2026

those adopted in the consolidated financial statements for like transactions and events in similar circumstances, appropriate adjustments are made to that group member's financial statements in preparing the consolidated financial statements to ensure conformity with the group's accounting policies.

The Financial Statements of all entities used for the purpose of consolidation are drawn up to same reporting date as that of the parent company, i.e., year ended on 31st March, 2026. The following consolidation procedure is followed:

- (a) Combine like items of assets, liabilities, equity, income, expenses and cash flows of the parent with its subsidiary. For this purpose, income and expenses of the subsidiary are based on the amounts of the assets and liabilities recognised in the consolidated financial statements at the acquisition date.
- (b) Offset (eliminate) the carrying amount of the parent's investment in subsidiary and the parent's portion of equity of the subsidiary. Business combinations policy explains how to account for any related goodwill.
- (c) Eliminate in full intragroup assets and liabilities, equity, income, expenses and cash flows relating to transactions between entities of the group (profits or losses resulting from intra group transactions that are recognised in assets, such as inventory and fixed assets, are eliminated in full). Intragroup losses may indicate an impairment that requires recognition in the consolidated financial statements. Ind AS 12 Income Taxes applies to temporary differences that arise from the elimination of profits and losses resulting from intragroup transactions.

Profit or loss and each component of other comprehensive income (OCI) are attributed to the equity holders of the parent of the Group and to the non-controlling interests, even if this results in the non-controlling interests having a deficit balance. When necessary, adjustments are made to the financial statements of subsidiary to bring their accounting policies into line with the Group's accounting policies. All intra-group assets and liabilities, equity, income, expenses and cash flows relating to transactions between members of the Group are eliminated in full on consolidation.

Change in the Group's ownership interests in existing subsidiaries

A change in the ownership interest of a subsidiary, without a loss of control, is accounted for as an equity transaction. If the Group loses control over a subsidiary, it:

- Derecognises the assets (including goodwill) and liabilities of the subsidiary,
- Derecognises the carrying amount of any non-controlling interests,
- Derecognises the cumulative translation differences recorded in equity,
- Recognises the fair value of the consideration received,
- Recognises the fair value of any investment retained,
- Recognises any surplus or deficit in profit or loss, Reclassifies the parent's share of components previously recognised in OCI to profit or loss or retained earnings, as appropriate, as would be required if the Group had directly disposed of the related assets or liabilities.

1.1.2.2 Investment in Associates

An associate is an entity over which the Group has significant influence. Significant influence is the power to participate in the financial and operating policy decisions of the investee, but is not control or joint control over those policies. Investments in associate entities are accounted for using the equity method of accounting.

The considerations made in determining whether significant influence or joint control are similar to those necessary to determine control over the subsidiaries. The Group's investment in its associate entity is accounted for using the equity method. Under the equity method, the investment in an associate entity is initially recognised at cost. The carrying amount of the investment is adjusted to recognise changes in the Group's share of net assets of the associate entities since the acquisition date. Goodwill relating to the associate entity is included in the carrying amount of the investment and is not tested for impairment individually.

Notes forming part of the Consolidated Financial Statements for the year ended 31st March, 2026

The Statement of Profit and Loss reflects the Group's share of the results of operations of the associate entities. Any change in OCI of those investees is presented as part of the Group's OCI. In addition, when there has been a change recognised directly in the equity of the associate entities, the Group recognises its share of any changes, when applicable, in the Statement of Changes in Equity. Unrealised gains and losses resulting from transactions between the Group and the associate entities are eliminated to the extent of the interest in the associate entities.

If an entity's share of losses of an associate entity equal or exceeds its interest in the associate entities (which includes any long-term interest that, in substance, form part of the Group's net investment in the associate entities), the entity then discontinues recognising its share of further losses. Additional losses are recognised only to the extent that the Group has incurred legal or constructive obligations or made payments on behalf of the associate entities. If the associate entity subsequently reports profits, the entity resumes recognising its share of those profits only after its share of the profits equals the share of losses not recognised.

The financial statements of the associate entity is prepared for the same reporting period as the Group. When necessary, adjustments are made to bring the accounting policies in line with those of the Group.

After application of the equity method, the Group determines whether it is necessary to recognise an impairment loss on its investment in its associate entities. At each reporting date, the Group determines whether there is objective evidence that the investment in the associate entities is impaired. If there is such evidence, the Group calculates the amount of impairment as the difference between the recoverable amount of the associate entities and its carrying value, and then recognises the Profit as 'Share of Profit of an Associate' in the Statement of Profit and Loss.

Upon loss of significant influence over the associate entities, the Group measures and recognises any retained investment at its fair value. Any difference between the carrying amount of the associate entities upon loss of significant influence or joint control and the fair value of the retained investment and proceeds from disposal is recognized as profit or loss.

1.1.3 Historical Cost Convention

These consolidated financial statements have been prepared in accordance with the generally accepted accounting principles in India under the historical cost convention, except for the following:

- i) certain financial assets and liabilities (including derivative instruments) and contingent consideration that is measured at fair value through the Statement of Profit and Loss and amortized cost;
- ii) defined benefits plan – plan assets measured at fair value;

1.1.4 Classification of Current and Non-Current

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Ind AS 1 – Presentation of Financial Statements and Schedule III to the Act. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current/non-current classification of assets and liabilities.

1.2 Foreign Currency Translation

Foreign currency transactions are translated into Indian Rupee (INR) which is the functional currency (i.e. the currency of the primary economic environment in which the entity operates) using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are recognised in the Statement of Profit and Loss.

1.3 Use of Estimates and Judgements

The Preparation of the consolidated financial statements in conformity with the generally accepted accounting principles in

Notes forming part of the Consolidated Financial Statements for the year ended 31st March, 2026

India requires the management to make estimates and assumptions that affects the reported amount of assets and liabilities as at the Balance Sheet date, the reported amount of revenue and expenses for the periods and disclosure of contingent liabilities at the Balance Sheet date. The estimates and assumptions used in the financial statements are based upon management's evaluation of relevant facts and circumstances as of the date of the financial statements. Actual results could differ from estimates.

1.4 Fair Value measurement

The Group measures financial instruments at fair value at each Balance Sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Group.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Group uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

1.5 Property, Plant and Equipment

Freehold Land is carried at historical cost. All other items of property, plant and equipment are stated at carrying value less accumulated depreciation. The carrying value includes expenditure that is directly attributable to the acquisition of the assets.

The carrying amount of any component accounted for as a separate asset is derecognised when replaced.

Depreciation methods, estimated useful lives and residual value

Depreciation is calculated using the straight-line method to allocate their cost, net of their residual values on the basis of useful lives prescribed in Schedule II to the Act which are also supported by technical evaluation. Item of Property, Plant and Equipment for which related actual cost do not exceed Rs. 5,000 are fully depreciated in the year of purchase. In respect of the following assets, useful lives as per Schedule II to the Act have been considered, as under:-

Non-factory Buildings	60 years
Electrical Installations	10 years
Computers	3 years
Office Equipment	5 years
Furniture & Fixtures	10 years
Motor Vehicles	8 years
Server & Network	6 years

The assets' residual values and useful lives are reviewed, and adjusted, if necessary, at the end of each reporting period.

1.6 Investment Property

Property that is held for long term rentals yields or for capital appreciation or both and that is not occupied by the Group, is classified as investment property. Investment property is measured at Cost Model, including related transaction costs and where applicable, borrowing costs. Subsequent expenditure is capitalized to the asset's carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the Group and the cost of the item can be measured reliably.

Investment properties are depreciated using the straight-line method over their estimated useful lives. Investment properties generally have a useful life of 60 years.

Notes forming part of the Consolidated Financial Statements for the year ended 31st March, 2026

1.7 Intangible Assets

Computer Software

Costs associated with maintaining of software programs are recognised as an expense as incurred. Costs of purchased software are recorded as intangible assets and amortised from the point at which the asset is available for use.

Amortisation methods and periods

The Group amortises intangible assets with a finite useful life using the straight-line method over the following periods:

Computer Software : 3 years

1.8 Investments and other Financial Assets

1.8.1 Classification

The Group classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income, or through the Statement of Profit and Loss), and
- those measured at amortised cost

The classification depends on the Group's business model for managing the financial assets and the contractual terms of cash flows.

1.8.2 Measurement

At initial recognition, the Group measures a financial asset at its fair value. Transaction costs of financial assets carried at fair value through the Statement of Profit and Loss are expensed as profit or loss.

Financial assets with embedded derivatives are considered in their entirety when determining whether their cash flows are solely payment of principal and interest.

Debt Instruments

Subsequent measurement of debt instruments depends on the Group's business model for managing the asset and the cash flow characteristics of the asset. The Group classifies its debt instruments into the following categories:

- **Amortised cost:** Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. Interest income from these financial assets is included in finance income.
- **Fair value through Other Comprehensive Income (FVTOCI):** The Group subsequently measures its debt instruments as FVTOCI, only if both of the following criteria are met:
 - The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets; and
 - Contractual terms of the asset give rise on specified dates to cash flows that are Solely Payments of Principal and Interest (SPPI) on the principal amount outstanding.

The Group measures debt instruments included within the FVTOCI category at each reporting date at fair value with such changes being recognised in Other Comprehensive Income (OCI). The Company recognises the income on these assets in Statement of Profit and Loss.

- **Fair value through profit or loss (FVTPL):** Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss. Interest income from these financial assets is included in other income.

Equity Instruments

The Holding Company subsequently measures all equity investments (except subsidiary and associate entities) at fair value through the Statement of Profit and Loss. However, where the Company's management makes an irrevocable choice on initial recognition to present fair value gains or losses on specific equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses through the Statement of Profit and Loss.

Notes forming part of the Consolidated Financial Statements for the year ended 31st March, 2026**1.8.3 Impairment of Financial Assets**

The Group measures the expected credit loss associated with its assets based on historical trend, industry practices and the business environment in which the entity operates or any other appropriate basis. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

1.8.4 De-recognition of Financial Assets

A financial asset is derecognised only when-

- The right to receive cash flows from the asset has expired, or
- The Group has transferred the rights to receive cash flows from the financial asset, or
- Retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the Group has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Where the Group has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the Group has not retained control of the financial asset.

1.8.5 Reclassification of Financial assets

The Group determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification of financial assets like equity instruments and financial liabilities is made. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. If the Group reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The Group does not restate any previously recognised gains, losses (including impairment gains or losses) or interest.

The following table shows various reclassification and how they are accounted for:

Original classification	Revised classification	Accounting treatment
Amortised cost	FVTPL	Fair value is measured at reclassification date. Difference between previous amortized cost and fair value is recognised as profit or loss.
FVTPL	Amortised Cost	Fair value at reclassification date becomes its new gross carrying amount. EIR is calculated based on the new gross carrying amount.
Amortised cost	FVTOCI	Fair value is measured at reclassification date. Difference between previous amortised cost and fair value is recognised in OCI. No change in EIR due to reclassification.
FVTOCI	Amortised cost	Fair value at reclassification date becomes its new amortised cost carrying amount. However, cumulative gain or loss in OCI is adjusted against fair value. Consequently, the asset is measured as if it had always been measured at amortised cost.
FVTPL	FVTOCI	Fair value at reclassification date becomes its new carrying amount. No other adjustment is required.
FVTOCI	FVTPL	Assets continue to be measured at fair value. Cumulative gain or loss previously recognized in OCI is reclassified from equity to profit or loss on the reclassification date.

1.9 Derivatives and Hedging Activities

The Holding Company enters into certain derivative contracts to hedge risks which are not designated as hedges. Such contracts are accounted for at fair value through the profit or loss and are included in other income/expenses.

1.10 Cash and Cash Equivalents

Cash and cash equivalents comprise cash at bank and in hand, including offsetting bank overdrafts, and short-term highly liquid investments that are readily convertible to known amounts of cash, have a maturity of three months or less from the acquisition date.

Notes forming part of the Consolidated Financial Statements for the year ended 31st March, 2026

1.11 Earnings per Share

Basic Earnings Per Share

Basic earnings per share are calculated by dividing the net profit after tax for the year attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the year.

Diluted Earnings Per Share

For the purpose of calculating diluted earnings per share, the net profit after tax for the year attributable to equity shareholders of the Company and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

1.12 Trade Receivables

Trade Receivables are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method, less provision for impairment, if any.

The Group applies a simplified approach in calculating Expected Credit Loss (ECLs). Therefore, the group does not track changes in credit risk, but instead recognises a loss allowance based on lifetime ECLs at each reporting date. The group establishes a provision that is based on its historical credit loss experience, adjusted for forward-looking factors specific to the debtors and the economic environment. The assessment of the correlation between historical observed default rates, forecast economic conditions and ECLs is a significant estimate.

No trade or other receivable are due from directors or other officers of the group either severally or jointly with any other person. Nor any trade or other receivable are due from firms or private companies respectively in which any director is a partner, a director or a member.

1.13 Inventories

The Holding Company makes trading in Equity Shares of companies in India. Inventories of Equity Shares and securities are valued at fair value and the gain/ loss is recognised through the Statement of Profit and Loss.

1.14 Financial Liabilities

1.14.1 Initial recognition and measurement

The Group recognises all the financial liabilities on initial recognition at fair value minus, in the case of a financial liability not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition or issue of the financial liability.

The Group's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, financial guarantee contracts and derivative financial instruments.

1.14.2 Subsequent measurement

All the financial liabilities are classified as subsequently measured at amortised cost, except for those mentioned below.

1.14.3 De-recognition of Financial Liabilities

A financial liability is de-recognized when the obligation under the liability is discharged or cancelled or expired. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the Statement of Profit & Loss.

1.14.4 Financial Liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the company that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109.

Gains or losses on liabilities held for trading are recognised in the Statement of Profit and Loss.

Notes forming part of the Consolidated Financial Statements for the year ended 31st March, 2026

For liabilities designated as Fair Value through profit or loss, fair value gains/losses attributable to changes in own credit risks are recognized in Other Comprehensive Income. These gains/losses are not subsequently transferred to the Statement of Profit and Loss. However, the Company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the Statement of Profit and Loss.

1.15 Trade and Other Payables:

These amounts represent liabilities for goods and services provided to the company prior to the end of financial year which are unpaid. The amounts are unsecured and usually paid within 30 days of recognition. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period.

1.16 Borrowings

Borrowings are initially recognized at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transactions cost) and the redemption amount is recognized in the Statement of Profit and Loss over the period of the borrowings using the effective interest method. Fees paid on the establishment of loan facilities are recognized as transaction costs of the loan to the extent that it is probable that sum or all of the facility will be drawn down. In the case, the fees is deferred until the draw down occurs. To the extent there is no evidence that it is probable that sum or all of the facility will be drawn down, the fee is capitalized as a prepayment for liquidity services and amortized over the period of the facility to which it relates.

The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognized in the Statement of Profit and Loss as other gains/(losses).

1.17 Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognised when there is a present obligation as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation.

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. The group also discloses present obligations for which a reliable estimate cannot be made as a contingent liability. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Contingent Assets are not recognised but are disclosed when an inflow of economic benefits is probable.

1.18 Employee Benefits**1.18.1 Short-term Employee Benefits**

These are recognised at the undiscounted amount as expense for the year in which the related service is rendered.

1.18.2 Other Long-term Employee Benefits (Unfunded)

The cost of providing long-term employee benefits is determined using Projected Unit Credit Method with actuarial valuation being carried out at each Balance Sheet date. Actuarial gains and losses and past service cost are recognised immediately in the Statement of Profit and Loss for the period in which they occur. Long term employee benefit obligation recognised in the Balance Sheet represents the present value of related obligation.

1.18.3 Post-employment Benefit & Plans

Contributions under Defined Contribution Plans payable in keeping with the related schemes are recognised as expenditure for the year.

In case of Defined Benefit Plans, the cost of providing the benefit is determined using the Projected Unit Credit Method with actuarial valuation being carried out at each Balance Sheet date. Actuarial gains and losses are recognised in full in the Other Comprehensive Income for the period in which they occur. Past service cost is recognised immediately to the extent that the benefits are already vested, and otherwise is amortised on a straight-line basis over the average period until the benefits become vested. The retirement benefit obligation recognised in the Balance Sheet represents the present value of the defined benefit obligation as adjusted for

Notes forming part of the Consolidated Financial Statements for the year ended 31st March, 2026

unrecognised past service cost, if any, and as reduced by the fair value of plan assets, where funded. Any asset resulting from this calculation is limited to the present value of any economic benefit available in the form of refunds from the plan or reductions in future contributions to the plan.

1.19 Impairment of Non-Financial Assets

Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher on an asset's fair value less costs of disposal and value in use. For the purpose of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash flows which are largely independent of the cash flows from other assets or group of assets (cash-generating units). Non-financial assets that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

1.20 Segment Reporting

Identification of segment

The Holding Company has identified that its operating segments are the primary segments. The Holding Company's operating businesses are organized and managed separately according to the nature of products, with each segment representing a strategic business unit and offering different products and serving different markets.

1.21 Borrowing Costs

Interest and other borrowing costs attributable to qualifying assets are capitalised. Other interest and borrowing costs are charged to the Statement of Profit and Loss.

1.22 Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the Balance Sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

1.23 Revenue Recognition

Revenue is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Group expects to be entitled in exchange for those goods or services. Revenue is measured based on the consideration specified in a contract with a customer and excludes amounts collected on behalf of third parties.

The specific recognition criteria followed by the Group are described below:

1.23.1 Sale of Services

Timing of recognition: Revenue is recognised when no significant uncertainty as to its determination exists. The primary business of the Group is Investment Banking, Financial Consultancy and Wealth Management. The revenue in consultancy is recognised in terms of mandate and on completion of the assignment.

Goods and Services Tax (GST) is not received by the Group on its own account. Rather it is tax collected on the value added to the product by the seller on behalf of the Government. Accordingly, it is excluded from revenue.

Measurement of revenue: Estimates of revenues, costs or extent of progress towards completion are revised if circumstances change. Any resultant increases or decreases in estimated revenues or costs are reflected in the Statement of Profit and Loss in the period in which the circumstances that give rise to the revision become known by management.

1.23.2 Sale of Goods

Revenue is recognised when control of the goods are transferred to the customer at an amount that reflects the consideration to which the Group expects to be entitled in exchange for those goods.

Notes forming part of the Consolidated Financial Statements for the year ended 31st March, 2026

1.23.3 Insurance and other Claims / refunds

Insurance and Other claims are recognized when there is a reasonable certainty of recovery.

1.23.4 Interest

Revenue is recognised on a time proportion basis taking into account the amount outstanding and the rate applicable.

1.23.5 Dividend

Dividend is recognised when the right to receive the payment is established.

1.24 Accounting for Taxes on Income

Provision for current tax is made as per the provisions of the Income Tax Act, 1961.

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date. Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements at the reporting date. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred Tax Liabilities are recognised for all temporary taxable differences. Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Current and deferred tax is recognised in the Statement of Profit and Loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

1.25 Recent pronouncements

The Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time.

In May 2025, MCA notified amendments to Ind AS 21 - The Effects of Changes in Foreign Exchange Rates, applicable w.e.f. April 1, 2025. The Group has reviewed the amendment and based on its evaluation has determined that it does not have any significant impact in its financial statements.

In August 2025, MCA notified the following amendments to:

1. Ind AS 1, Presentation of Financial Statements, applicable w.e.f. April 1, 2025 - The amendment relates to classification of liabilities as current or non-current and non-current liabilities with covenants. In the context of classifying a liability as current, it removes the requirement of existence of a right to defer settlement for at least 12 months after the reporting date, and instead requires that the said right should exist on the reporting date and have substance. The amendment also introduces guidance on classification of liabilities with covenants. The Group has no impact of these amendments in its classification criteria of current and non-current liabilities.
2. Ind AS 7, Statement of Cash Flows and Ind AS 107, Financial Instruments - Disclosures, applicable w.e.f. April 1,

Notes forming part of the Consolidated Financial Statements for the year ended 31st March, 2026

2025 – The amendment in Ind AS 7 requires to inform users of financial statements of the existence of supplier finance arrangements and explain the nature of the arrangements, the carrying amount of liabilities and the range of payment due dates. Ind AS 107 has been amended to add supplier finance arrangements as a factor that may cause concentration of liquidity risk. The Group has reviewed the amendment and based on its evaluation has determined that it does not have any significant impact in its financial statements.

3. Ind AS 12, International Tax Reform – Pillar Two Model Rules applicable immediately - The amendments provide a temporary mandatory relief from deferred tax accounting for top-up tax and disclose that they have applied the relief. This relief is immediate and applies retrospectively. The Group has reviewed the amendment and based on its evaluation has determined that it does not have any significant impact in its financial statements.

29. CORPORATE SOCIAL RESPONSIBILITY (CSR)

As per Section 135 of the Companies Act, 2013, a company, meeting the applicability threshold, needs to spend at least 2% of its average net profit for the immediately preceding three financial years on corporate social responsibility (CSR) activities. In accordance with the provisions of the Companies Act, 2013 read with Rules made thereunder, the Company is not required to make CSR contribution for the Financial Year 2025-26.

Pursuant to the provisions of Section 135(9) of the Companies Act, 2013, if the amount required to be spent by a company under Section 135(5) does not exceed Rs. 50 Lakhs, the constitution of a Corporate Social Responsibility (CSR) Committee is not mandatory. In such cases, the functions of the CSR Committee shall be carried out by the Board of Directors. Accordingly, at its meeting held on August 12, 2024, the Board of Directors approved the dissolution of the CSR Committee and resolved to assume all responsibilities related to CSR activities directly. Hence, the Holding Company is not required to constitute a CSR Committee.

35. BALANCE CONFIRMATION

Outstanding balances of Trade Receivables, Loans and Advances of the Group are subject to confirmation from the respective parties and consequential adjustments arising from reconciliation if any. The management of the Holding Company and its Subsidiary, however, are of the view that there will be no material discrepancies in this regard.

36. EMPLOYEE BENEFITS

A. Impact of Labour Code

A provision of Rs.17.48 Lacs has been recognised in the Standalone Financial Statements in accordance with the New Labour Code announced by the Government of India on 21st November, 2025, with respect to net liability for Gratuity related to past service cost, as per the actuarial valuation report, and the same has been debited to Employee Benefits

Notes forming part of the Consolidated Financial Statements for the year ended 31st March, 2026

Expenses for the year ended 31st March, 2026.

B. Defined Benefit Plans

Defined Benefit Plans expose the Holding Company to actuarial risk such as: Interest Rate Risk, Liquidity Risk, Salary Escalation Risk, Demographic Risk and Regulatory Risk.

- i. Interest Rate Risk:** The Plan exposes the Holding Company to the risk of fall in interest rates. A fall in interest rates will result in an increase in the ultimate cost of providing the above benefit and will thus result in an increase in the value of the liability (as shown in the Consolidated Financial Statements).
- ii. Liquidity Risk:** This is the risk that the Holding Company is not able to meet the short-term benefit payouts. This may arise due to non-availability of enough cash/ cash equivalents to meet the liabilities or holding of illiquid assets not being sold in time.
- iii. Salary Escalation Risk:** The Present Value of the above benefit plan is calculated with the assumption of salary increase rate of plan participants in future. Deviation in the rate of increase of salary in future for plan participants from the rate of increase in salary in future for plan participants from the rate of increase in salary used to determine present value of obligation will have a bearing on the plan's liability.
- iv. Demographic Risk:** The Holding Company has used certain mortality and attrition assumptions in valuation of the liability. The Holding Company is exposed to the risk of actual experience turning out to be worse compared to the assumption.
- v. Regulatory Risk:** Gratuity benefit is paid in accordance with the requirements of the Payment of Gratuity Act, 1972 (as amended from time to time). There is a risk of change in regulations requiring higher gratuity payouts (e.g. Increase in the maximum limit on gratuity of Rs. 20,00,000).

GRATUITY PLANS

The Holding Company has a defined benefit gratuity plan. Every employee who has completed five years or more of service is entitled to gratuity on terms not less favorable than the provisions of The Payment of Gratuity Act, 1972. The above Scheme is funded.

Level 1 hierarchy includes financial instruments valued using quoted market prices. Listed equity instruments and traded debt instruments which are traded in the stock exchanges are valued using the closing price at the reporting date. Mutual funds are valued using the closing NAV.

Level 2 hierarchy includes financial instruments that are not traded in active market. This includes instruments valued using observable market data such as yield etc. of similar instruments traded in active market.

Level 3 if one or more significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity instruments and certain debt instruments which are valued using assumptions from market participants.

Notes forming part of the Consolidated Financial Statements for the year ended 31st March, 2026

(iii) Fair Value measurements using significant unobservable inputs (Level 3)

(iv) Valuation techniques used for valuation of instruments categorised as Level 3

For valuation of investments in equity shares and associates which are unquoted, peer comparison has been performed wherever available. Valuation has been primarily done based on the cost approach wherein the net worth of the Company is considered and price to book multiple is used to arrive at the fair value. In cases where income approach was feasible valuation has been arrived using the earnings capitalisation method. For inputs that are not observable for these instruments, certain assumptions are made based on available information. The most significant of these assumptions are the discount rate and credit spreads used in the valuation process. For valuation of investments in debt securities categorised as level 3, market polls which represent indicative yields are used as assumptions by market participants when pricing the asset.

(v) Financial Instrument- Financial Risk Management

The Group's activity exposes it to various risks such as market risk, liquidity risk and credit risks. This section explains the risks which the Group is exposed to and how it manages the risks.

A. Market Risk

Market risk is the risk that changes in market prices, such as foreign exchange risk rates, interest rates and equity prices which will affect the Group's income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return. The Holding Company's main business activity financial consulting has no or limited entry barrier. Entry of Banks and large consulting firms has increased competition.

(i) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Group is exposed to interest rate risk on financial liabilities such as long-term borrowings.

The Group is also exposed to interest rate risk on its financial assets that include fixed deposits.

(ii) Price Risk

The Group's exposure to equity securities price risk arises from investments held by the Group and classified in the Balance Sheet as fair value through Profit or Loss. The majority of the Group's equity investments are publicly traded.

(iii) Sensitivity analysis- Equity price risk

The table below summarises the impact of increase/decrease of the market price of the listed instruments on the Group's equity and profit for the period. The analysis is based on the assumption that market price had increased by 2% or decreased by 2%.

(Rs. in Hundreds)

Particulars	Impact on Profit or Loss		Impact on other components of equity	
	31st March, 2026	31st March, 2025	31st March, 2026	31st March, 2025
Market Price increases by 2%	2,438.43	3,185.51	-	-
Market Price decreases by 2%	(2,438.43)	(3,185.51)	-	-

Notes forming part of the Consolidated Financial Statements for the year ended 31st March, 2026

B. Liquidity Risk

The Group determines its liquidity requirements in the short, medium and long term. This is done by drawing up cash forecast for short and medium term requirements and strategic financing plans for long term needs.

The Group manages its liquidity risk in a manner so as to meet its normal financial obligations without any significant delay or stress. Such risk is managed through ensuring operational cash flow while at the same time maintaining adequate cash and cash equivalent position. This is generally carried out in accordance with practice and limits set by the Group.

(i) Maturity Analysis

The Group's financial liabilities into relevant maturity groupings based on their contractual maturities as disclosed in the table are the contractual undiscounted cash flows. The impact of discounting is not significant.

Non- Derivatives					
Other Financial Liabilities	61,478.03	927.80	3,064.27	3,030.74	68,500.84

C. Credit Risk

Credit risk is the risk of financial loss to the Group if a customer or counterparty to a financial instrument fails to meet its contractual obligation, and arises principally from the Group's receivables from customers, stock exchanges and clearing members. The carrying amount of financial assets represents the maximum credit exposure. Security deposits with stock exchanges and clearing members mainly represents the margin money to cover the regular trading exposure in stock exchanges backed by margin collected from clients and has very insignificant credit risk.

The Group's exposure to credit risk is influenced mainly by the individual characteristics of each client. However, management also considers the factors that may influence the credit risk of its customer base, including the default risk associated with the industry.

Financial assets are written off when there is no expectation of recovery such as debtors failing to engage in a repayment plan with the Group. Where loans and receivables have been written off, the Group continues to engage in enforcement activity to attempt to recover the receivable due. Where necessary, the Group has adopted the policy of creating expected credit loss where recoveries are made, these are organised as expense in the Statement of Profit and Loss.

Notes forming part of the Consolidated Financial Statements for the year ended 31st March, 2026

45. Segment Reporting

The Holding Company is primarily engaged in the business of "Investment Banking" which constitutes a single reporting segment and the Management does not monitor the operating results of its business units separately for the purpose of making decisions about resource allocation and performance assessment. Segment performance is evaluated based on profit or loss in the financial statements, thus, there are no additional disclosures to be provided under Ind AS 108- "Operating Segments."

46. Capital Advances

Capital Advances represent an amount of Rs. 62,560.00 (in hundreds) towards the booking of two flats at Mumbai against total consideration of Rs. 84,500.00 (in hundreds) in the Financial Year 2008. The Company is yet to receive the possession and therefore due to abnormal delay, the Company had filed the case at the RERA court, Mumbai against builder in Financial Year 2019-20. In the Financial Year 2024-25, the RERA court has ordered the Builder to refund the entire amount paid by the Company. In the opinion of the management, no provision is required in this regard.

47. The Board of Directors have recommended a dividend at the rate of Re.1 per share (face value Rs. 10) (previous year Re. 1.00) for the year ended 31st March, 2026, subject to approval of the shareholders at the ensuing Annual General Meeting.

As per requirements of Ind AS, the Holding Company is not required to provide for proposed dividend declared after the Balance Sheet date. Consequently, no provision has been made in respect of the aforesaid dividend proposed by the Board of Directors for the year ended 31st March, 2026. Had the company continued with the creation of the provision of the proposed dividend as at the Balance Sheet date, its surplus in the Statement of Profit and Loss would have been lower by Rs. 79,884.24(in Hundreds) (Previous Year Rs. 79,844.24 (in Hundreds)) on account of dividend and the short term provision would have been higher by the said amount of Rs. 79,884.24 (in Hundreds) (Previous Year Rs. 79,844.24 (in Hundreds)).

48. During the year, Unclaimed Dividend amounting to Rs.1,702.42 (Hundreds) relating to financial year 2017-18 has been transferred to Investor Education and Protection Fund (IEPF) Account as per section 124(5) of the Companies Act, 2013.

49. Additional Regulatory Information:

- The Group does not have any transactions with companies struck off.
- The Group has not traded or invested in Crypto currency or Virtual Currency during the year.
- The Company has complied with the number of layers prescribed under the Companies Act, 2013.
- The Company does not hold any Benami Property by its name.
- The Company has not been declared wilful defaulter by any bank or financial institution or any other lender.

50. Previous year's figures have been regrouped/reclassified wherever necessary to correspond with the current year's classification/disclosure.

51. Figures have been rounded off to nearest Hundreds.
